OIL MILLS CLOSING DOWN

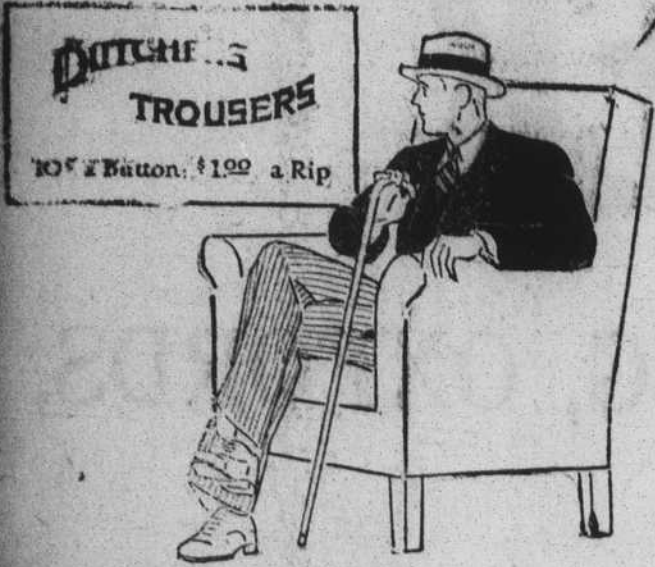

"Few Oil Mills are now operating. Our last operating mills will soon close down."

The Shelby Oil Mills will close down in about 10 days, and if you have seed that you want to sell to advantage, better get them in to us at once.

When we close down, we will reduce the price of seed very much under the present market, as we cannot afford to pay the present market and carry them over until fall.

J. FRANK JENKINS, Manager for Receivers.

SPECIAL TODAY AT PRINCESS THEATRE

Your BEST trousers

THAT tyrant, Style, decrees that men who want to be fashionably dressed are to wear a dark sack coat with striped trousers of a lighter shade.

And never was a more sensible style. Nearly every man has one or more coats that are good but they hang in the closet because the trousers are worn out. By selecting a pair of Dutchess Trousers you complete a suit that is in the height of fashion.

Cut full on the very latest lines, we can assure you a fit in Dutchess Trousers that would make a custom-tailor envious.

And whether it is for dress or for work or for play every pair of Dutchess Trousers is made to give long honest wear. They have to be to live up to their maker's famous warranty of "10c a Button; \$1.00 a Rip."

Be smart in both senses of the word and come in for your pair of Dutchess Dress Trousers.

200 Books Added To Waco School Library

As a Result of Manless Wedding Entertainment, Waco Wins Debate. Honor Roll for Last Month.

(Special to The Star.) Waco, Mar. 30.—The North Brook baseball team was defeated by our team on the local court Thursday afternoon in a very interesting game, the score being 4-31.

The "Manless Wedding" recently given by the ladies of the Waco community afforded the audience, which was a very large one, a great deal of fun. The proceeds, which netted \$50.00 have helped to add 200 books to our library. Thank you, ladies.

The debate on the query, "Resolved That the N. C. Port Bill should be adopted," in the auditorium Friday evening between Lattimore and Waco, Allen Whitworth and Viva Parker represented Waco and upheld the affirmative side.

The honor roll for last month is as follows: First grade—Marshall Wolfe, Gretchen Beam, George Martin, George, Broadus Moss, Margaret Beam, Marjor Putnam.

Second grade—Jesse Faye, Dover Doares Grigg, Lorenzo Grigg, Darvin Moss, Margaret Pec ler, Vertie Lee Beattie, L. J. Kellum jr.

Third grade—Ruth Wacaster, Charlie Champion, Sarah Kendrick, Louise Eaker.

Fourth grade—Hal Browne, Beulah Kendrick, Dorothy Smith, Madeline Peeler, Ocie Grigg, Pressly Grigg, Bennie Lee Ford.

Fifth grade—Vada Smith, Helen Goins, Net Whitworth, Elsie Barrett.

Seventh grade—Kate Whitworth, Evelyn Ford.

Eighth grade—Josephine Beam.

Ninth grade—Margaret Whitworth.

Tenth grade—Nellie White, Horace Ford.

Eleventh grade Viva Parker, Elva Sneed, Lois White.

On Friday evening April 3, an opera, "The Dream of Fairyland," will be given in the school auditorium by the elementary grades.

Patterson Springs News of Interest

Two Pre-Commencement Plays Well Rendered. Commencement April 23rd.

(Special to The Star.)

Patterson Springs, Mar. 30.—The pre-commencement entertainment given at Patterson Springs school last Thursday evening was quite a success. A large crowd enjoyed the two plays that were successfully and creditably rendered by the 6th, 7th and 8th grade pupils. A small admission fee was charged, the proceeds of which amounted to \$33.

The lower grades of the school will render their commencement exercises on Thursday night of last week of school, which is the 23rd of April.

Prof. M. R. Biggers, who has been sick with influenza recently, is again able to resume his duties as principal of Earl school.

Miss Lewis Patterson with several other young people of Sulphur Springs Methodist church, represented the Epworth league at Gastonia last Friday night. They brought back a glowing report of an unusually enthusiastic assemblage.

Prof. M. G. Latham had the misfortune of accidentally cutting himself with an axe last Saturday evening, while chopping at his woodshed. The wound inflicted on his right limb below the knee required six stitches. Dr. J. P. Aydlotte of Earl was the attending physician.

No. 3 Township S. S. Association at Earl

Mr. Bettis Asks for Large Attendance At Sunday School Institute at New Hope April 5th.

(Special to The Star.)

As township president of the North Carolina Sunday School association I am planning through Mr. G. G. Page of Kings Mountain, who is the president for Cleveland county to hold a Sunday school institute at New Hope church at Earl on Sunday afternoon April 5th, 1925 for the purpose of organizing all of the various churches of every denomination in No. 3 township into an institute of the North Carolina Sunday school association, whose aim is for the betterment of all denominational Sunday schools throughout the state as it is inter-denominational in its workings, but the results are denominational when put into practice by your own Sunday school, so I cordially invite you and your Sunday school to come with your delegation and let us all have a good time together.

Please remember every church in the township will be invited to come and bring large delegations with them I am expecting Mr. Page to get up the program and have a speaker who is a live wire on Sunday school work to tell us what our North Carolina Sunday school stands for.

Yours truly A. E. BETTIS.

P. S. All township presidents of Cleveland county association are urged to be present, also all pastors, who can consistently do so are invited to attend.

Program. 3:00 p. m.—Devotionals, by A. E. Bettis, township president.

3:10—Township Convention called to order by township president.

Election of president, vice-president and secretary for ensuing year.

3:25—"The Task of Winning Souls" by Rev. C. J. Black, pastor of the 1st Baptist church, Kings Mountain.

3:50—Five minute talks from each superintendent of the township. Round table.

Adjourn.

Rumors of Duke's Railroad Discussed

Lexington Dispatch.

Discussion and surmise are keeping alive the rumor that J. B. Duke expects at an early date to extend the Piedmont and Northern electric railway from Gastonia to Durham, and also probably connect the link between Gastonia and Spartanburg, via Shelby. As previously stated, the rumor is interesting whether true or not.

So far as Lexington is concerned, it would appear to stand more than an equal chance of getting the new railroad. It is true that it would have to parallel the Southern to get here, but what mileage has so far been built practically does this. In order to go through the big industrial section of the Piedmont where large freight tonnage exists, the road would have to continue to follow closely the Southern lines.

Lexington already has better railroad facilities than most North Carolina points, but the coming of another road would of course promote new activity.

There is another prospect for big construction activity in this vicinity that we believe is more immediate than the extension of the Piedmont & Northern. This is the building of the Stafford Mountain dam of the Tallahassee Power company to create a large retaining basin and provide additional hydro-electric power. Conditions seem to be moving toward the point where this long contemplated building will become not only feasible but necessary.

Mrs. Saunders Tells how Lydia E. Pinkham's Vegetable Compound Relieved Troubles of Change of Life

Knoxville, Tenn.—"I took Lydia E. Pinkham's Vegetable Compound while going through the Change of Life. I was very nervous, could not sleep and had melancholy spells. In fact, I was nearly insane at times and my memory was almost a blank. I was so weak I could not do my housework half of the time and suffered dreadfully with my back. My doctor said I would have to worry it out and I went through this for three years before I began taking the Vegetable Compound which I saw advertised. I think it was eight bottles that I took. It has been two years since I took any and I haven't had a doctor since for that trouble. I do all my washing and ironing and I have gained from 110 to 130 pounds. I feel so well I think I do not need any medicine now, but I advise all women who suffer physically and mentally as I did to give the Vegetable Compound a fair trial. I hope it will do as much for them as it did for me."—Mrs. T. A. SAUNDERS, 711 E. Depot Street, Knoxville, Tenn.

FOR TEN YEARS "World's Greatest Buy"

Everyone Says It—Sales Prove It

It is only as you find the real comparisons for Hudson qualities among the costliest cars that the enormous difference in price is so astonishing.

Today it offers the greatest price advantage and finest quality in Hudson history. Never was this supremacy of value so outstanding. And the greatest Hudson sales on record show how complete is public knowledge of the facts.

Is There Any Reason to Pay More?

Hudson's position as the "World's Greatest Buy" is not merely a new attainment. It is acknowledgment of ten years' refinement of a great car around the famous patented Super-Six principle. No motor design, however costly, has been found to displace this long-time leadership of the exclusive Super-Six.

Its simplicity has always meant a lower selling price than is permitted in complicated types.

And today, economies possible only to the largest production of 6-cylinder closed cars give it value advantages never held by any rival.

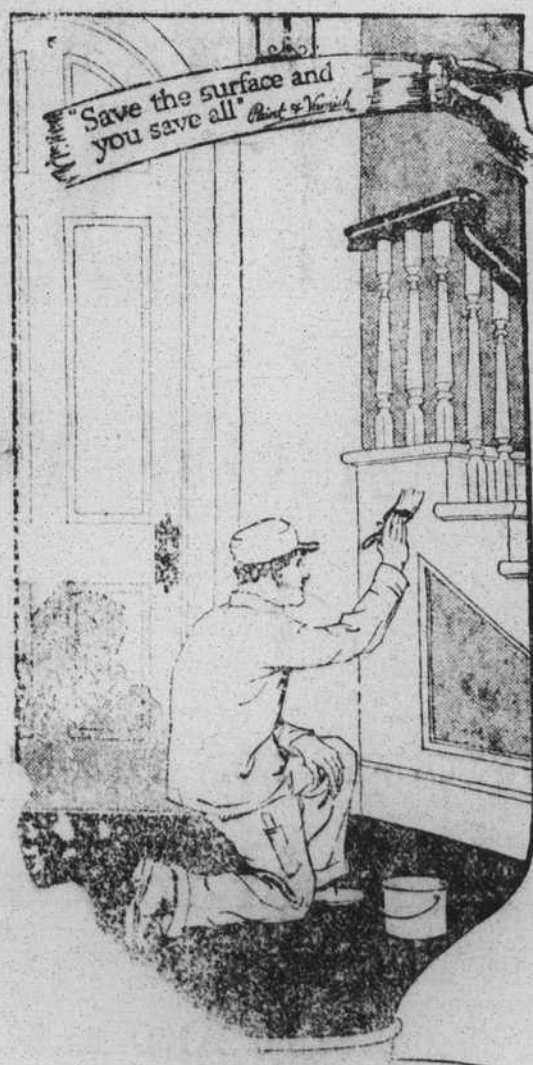

All now know that higher price can buy no smoother performance than Hudson's. It cannot buy more brilliant results in acceleration, power or speed. It cannot buy greater reliability or endurance.

No car at or near the price rivals the Hudson Coach in actual proof of value—which is SALES.
