-FINAL COUNTY TAX NOTICE-

The time for payment of 1924 County Taxes expires May 1st, 1925. Already there is a penalty of 1 1-2 per cent and the law adds an additional penalty where forced collection is made. Delay is costly to you and unpleasant to me, therefore see me at once. The County Commissioners have instructed me to force collection by May First and after that date I will proceed, as is provided by law, to advertise and sell all property on which the taxes are not paid.

In the past I have given all tax payers all the time allowed by law for payment and have done so this year but on the above mentioned date all taxes must be paid.

Georgia Lady, Who Had Lost Too Much Weight, Was Advised to Take Cardui and Is Now Well.

Columbus, Ga.-Mrs. George S. Hunter, of this city, writes:

"After I married, thirteen months ago, I suffered with dreadful pains in my sides during ... My side hurt so bad it nearly killed me. I had to go to bed and stay sometimes two weeks at a time. I could not work and I just dragged around the house.

"I got very thin-I went from 126 pounds down to less than 100. My mother had long been a user of Cardui and she knew what a good medicine it was for this trouble, so she told me to get some and take it. I sent to the store after it and before I had taken the first bottle

began to improve. My side hurt less and I began to improve in health. . . . The Cardul acted as a fine tonic and I do not feel like the same person. I am so much better. I am well now. I have gained ten pounds and am still gaining. My sides do not trouble me at all. "I wish every suffering woman knew about Cardui." NC-160
