THEATRES

On Friday the Princess theatre will show the "Danger Line," a thrilling photoplay in which Sessue Hayakawa stars. It is an action-full, colorful romance drama of the seas, booming guns, bursting shells and sinking ships.

"Nor snow, nor rain, nor wind, nor night can stay the pilot in his flight!" is the gripping theme of "The Air Mail" on Saturday at the Princess theatre. See the great fight three thousand feet aloft; the startling parachute leap and airplan flight in a raging blizzard.

Monday the Princess management will present "The Saddle Hawk," a special Western picture featuring no other than the popular western hero, Hor Gibson. Every scene a mighty smash, and a good comedy extra.

Colleen Moore in "So Big," the screen version of Edna Ferber's great novel, will show for the last time Friday at Webb Theatre with special music accompaniment. Many saw this tense, throbbing theme Thursday and they'll advise you to see it Friday.

Saturday, Buddy Roosevelt will make his weekly visit to the Webbs in "Rip, Roaring Roberts," a real Western wonder with a kick and more. In addition to the big Western film the Webbs will show a good comedy and the Fables.

For three days next week—Monday Tuesday and Wednesday—Webb theatre will present the picture that's proving the year's biggest attraction and the greatest work of a superior star, Douglas Fairbanks in "The Thief of Bagdad." This big picture of a famous Arabian Nights story featuring the noted Doug is being shown now in the big cities and Shelby will see it too during the three days run. The eleven reels will be shown twice daily—at 2 in the afternoon and 7:30 in the evening.

Children in the elementary grades of the Shelby schools will continue in school this year as long as their older brothers and sisters in the high school—nine months. All of the elementary grades have held their closing exercises, however, so that they would not coincide with the High and Junior High commencement.

The closing exercises of the Central Elementary were held last Thursday in the Central auditorium and consisted of songs and one-act plays given by the children in the grades from the first to the sixth. The stage in the Central auditorium was beautifully decorated for the occasion with shrubbery and spring flowers and the program by the children proved very entertaining. The program was featured perhaps by selections on the harp and mandolin by Stanley Davis, fifth grade student. Teachers in the Central Elementary are: Miss Agnes McBrayer, principal; Miss Etalio Moses, Miss Bessie Clark, Mrs. Jessie Rameur, Miss Vera Bennett and Miss Ruth Dry.

Star Route Gaffney To Rutherfordton

Charlotte Observer

Efforts made by The Charlotte Observer and citizens of the towns and communities concerned have been successful in bringing about the establishment of a star mail route from Gaffney, S. C., through Cliffside, Henrietta, Avondale, Forest City and Spindale to Rutherfordton. The new route will be inaugurated June 15, according to official announcement. The length of the route is a fraction less than 32 miles.

The schedule calls for leaving Gaffney at 5:30 a. m. and arriving at Rutherfordton three hours later. The hour of departure from Gaffney is approximately 30 minutes after the arrival of Southern trains No. 29 from Charlotte and the north.

At present and for some time past The Observer has maintained a truck service between Gaffney and Rutherfordton to deliver the paper. The inauguration of the star route means the delivery not only of the morning paper, but of first class mail also.

The star route is scheduled to operate only six days a week, but The Observer has begun negotiations looking toward making it a seven-day-a-week route, with the belief that it will succeed.

Champ Game With Clayton Ball Club

Clayton, May 20.—Clayton High school won the baseball championship of Eastern North Carolina here today by defeating Red Springs high school 12 to 4 and will go to Chapel Hill Saturday to meet Shelby High school, the Western champions for the State championship. The championship game will start at three o'clock.

Red Springs came from behind and tied the score in the third inning here today after Clayton had pushed over a pair of runs in the first inning, but Clayton counted three times in the third inning and four times in the fourth to put the game on ice. Williams worked a heady game for Clayton allowing Red Springs only five hits and fanning 12 batters. The Red Springs' pitchers were ineffective against the heavy hitting Clayton crew. The hitting of Williams, Allen and Winder were notable. Dan Barnes, in addition to catching a beautiful game, also hit well.
