THEATRES

In "The Manicure Girl", showing Friday at the Princess, Bebe Daniels takes one of the best roles in her film career, as the cute little cuticle cut-up a man-cured "manicure girl." It's a story of a hard-working fellow and his girl—with humorous complications.
If you like thrills, mystery, romance, beautiful scenic effects, don't miss dashing Jack Hoxie in "The Back Trail" Saturday. It is a Universal picture, filmed in the most wonderful section of the picturesque cow country.
Monday the Princess presents House Peters in "Head Winds," a powerful drama of the sea. A high spot in this picture is the great storm, the biggest ever filmed, in which mountainous waves and tempestuous seas vie with a love as tempestuous.
Friday at Webb theatre, First National Pictures present Barbara LaMarr in "Sandra," the story of a feminine Dr. Jekyll and Mr. Hyde. As Sandra, her dual personality—one affectionate and home-loving; the other flaming and craving romance—leads her through a winding lane of many complications and disillusionments, at the end of which, however, she finds still shining the beacon of true love. Don't miss this picture!
For Saturday the management at Webb's has booked Harry Carey, the popular Western star in "The Bad Lands" a real Western picture, one that has hard riding, fast shooting and tender loving combined. "Our Gang" a screaming comedy and the well-liked "Aesops Fables" fills out an excellent bill for Saturday. Starts at 1 p. m.
"WELCOME HOME," a Belasco production, is the attraction for Monday. The screen version is taken from the great Broadway play of the same name, and the cast, consisting of Florence Vidor, Dore Davidson, Noah Beery, Lloyd Hughes, and other well-known players, fully realizes the possibilities in the plot.

The Cleveland County Unit of the North Carolina Joint Stock Land Bank renders a genuine service to the business interests of the County by closing loans promptly during this crop growing season.

We are taking this method of calling the attention of the good farmers of Cleveland County to the unusual opportunity which is offered them to finance their farming operations.
