Asks That Baptists Meet Week Earlier

The First Baptist church of Shelby in conference Wednesday night at prayer meeting asked the executive committee of the Kings Mountain association to change the date of the associational meeting one week earlier from September 30th to September 23rd because of a conflict with the Cleveland county fair and a term of Federal court in Shelby. The First Baptist church is to be host this year to the association and in view of the conflict with the fair and Federal court, it was thought wise to move the associational date a week earlier. Rev. John W. Suttle, chairman of the executive committee, will call a meeting at once and the action of the committee will be announced next week. In the event the change is made the association will meet here September 23 and 24.
