

### PERSONAL ITEMS OF GROVER COMMUNITY

(Special to The Star.)  
 Grover, Sept. 22.—Mrs. C. F. Harry, Misses Sadelle and Franklin spent the week end with Mrs. Lawrence of Chester, S. C.  
 Mr. and Mrs. Loyd Dixon of Charlotte, spent Sunday in Grover with relatives.  
 Miss Mary Helen Keeter left last week to resume her studies at Leder college.  
 Misses Tera Pinkleton and Neely Keeter have left for Limestone college.  
 Rev. and Mrs. Hoyle Love were delightfully surprised by some of their old friends from Stanley, last Sunday afternoon. Among those present were Mr. and Mrs. Frank Morris and family, Mrs. Doelia Morris, Mr. and Mrs. Robert Kirksey, Mr. and Mrs. Charles Ware, Mr. and Mrs. McCalvey.  
 Mrs. Onelia Rollins and Miss Aileen Mullinax of Grover attended chapel exercises at Limestone Saturday morning.  
 The people of Grover welcome Rev. and Mrs. Hoyle Love back from their vacation. While away they visited Ridge Crest, Biltmore and Hendersonville. The first Sunday he was away he preached at Refuge Baptist church, Mrs. Shepard of Stuart, Va., formerly Miss Price of Grover, was a recent visitor to her old home. Mr. and Mrs. J. C. White accompanied her home and spent several days.  
 Mr. and Mrs. D. J. Keeter spent Saturday night in York, S. C., with their daughter, Mrs. Jenkins.  
 Misses Bossie Turner, Thelma Rollins, Mabel Fortune, Lucy Turner, Ruth Yelvington, and Mr. James Rollins spent Saturday in Shelby with Mrs. Charles Washburn.

### To Auction Purebred Poultry At The Fair

Over a thousand birds will be shown in the poultry department of the Cleveland County Fair which opens Tuesday, according to Rev. Jno. W. Suttle, head of this department. Every day there will be an auction sale of purebred poultry and about 30 minutes before the sale each day, Judge R. L. Simmons of Charlotte, will explain the various points of merit of show birds. All poultry fanciers are asked to attend this sale and also hear the explanation by Judge Simmons because he will impart information that will be well worth while.

### TWO STITCHES IN HEART SAVES LIFE OF A CHILD

Washington, Sept. 21.—Two stitches in the heart of 5-year-old Melvin Jones saved his life after he had fallen on the points of a pair of scissors. His father supplied blood for a transfusion.  
 The boy was about to cut paper dolls when he fell downstairs. Both scissor points pierced his side, one cutting a quarter inch gash in his heart.

### Bethlehem News Of Comings And Goings

Out of Enrollment of 265 at Bethlehem 263 Attended Sunday School Last Sunday. Other News.  
 (Special to The Star.)  
 A large crowd attended Sunday school today out of 265 on roll 263 attended Sunday school. Immediately after Sunday school Dr. H. V. Tanner preached a good sermon.

 Mr. and Mrs. J. P. Blalock and family spent the day Sunday with Mr. and Mrs. Lee Yarborough.  
 Mrs. R. W. McCurry's Sunday school class went on a picnic Saturday to Hamrick's spring and all reported a good time.

### Babe Not Then.

(Charlotte News.)  
 Some of the boys are telling us, for a fact that, Max Gardner will be the governor in 1928, that somebody else has been agreed upon for 1932, and yet another for 1936, which looks as if the people are not going to be allowed the right of election again until around about 1940.

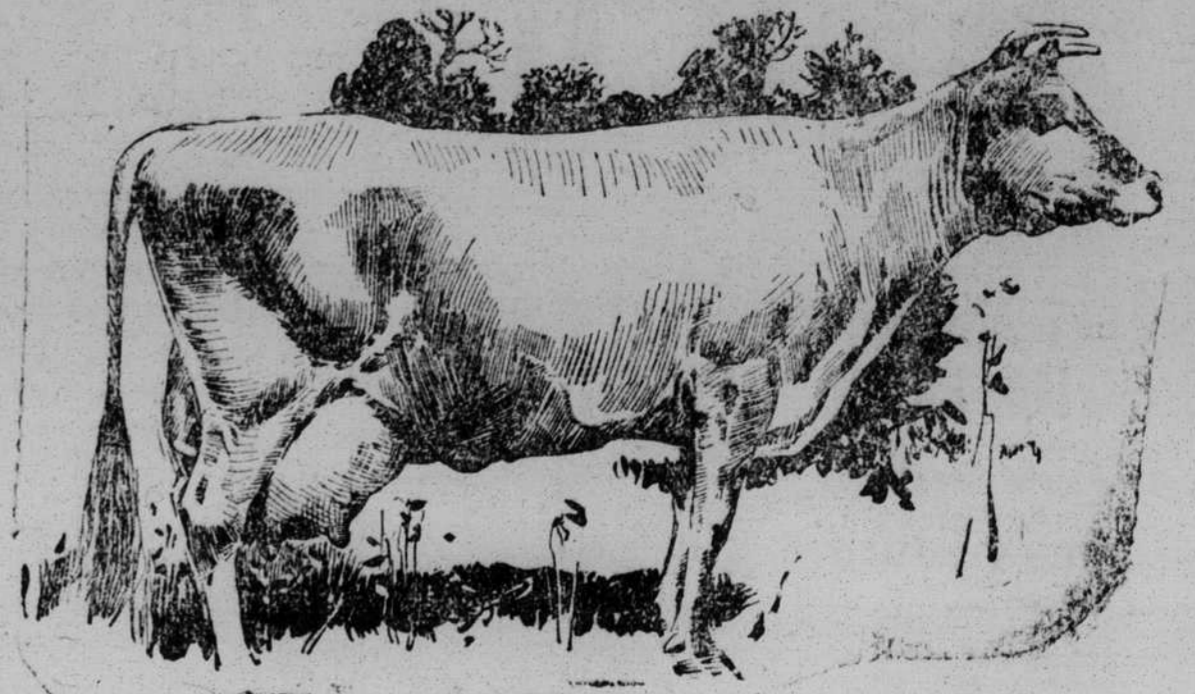

### Nation's Death Rate Shows Big Decrease

Washington, Sept. 17.—Despite an unusual number of deaths in June attributed to "heat waves" preliminary figures made public today by Surgeon General Cuming indicated the official death rate for the first seven months of 1925 would be lower than the average for the last five years.  
 Health conditions have been "generally good" this year, Dr. Cuming said.  
 A decided decrease was shown in diphtheria cases for the eight weeks since the first of July, as compared with the corresponding period last week. During the surveyed period of 1925 approximately 6,400 cases were reported, against 8,100 for the same time in 1924.  
 Unusual prevalence of infantile paralysis during the spring and summer months was reported. Thirty-two states recorded 1,463 cases for the eight weeks as compared with 625 last year.  
 A slight reaction also was shown in typhoid fever deaths, which for many years have been steadily decreasing. Since the first of July, 33 states reported 7,173 cases as compared with 5,013 last year.

### NOTICE OF SALE OF REAL ESTATE UNDER MORTGAGE

Under and by virtue of the power of sale contained in a certain mortgage executed by one Clem Allison on January 3, 1924, to me as mortgagee, —said mortgage being on record in Book of Mortgages 118, at page 279, of the Registry in Cleveland county, N. C.;—and default having been made in the payment of the indebtedness secured thereby; I, as mortgagee, will sell for cash to the highest bidder at public auction at the Court House Door in Shelby, N. C., on Saturday, October 24, 1925, at 12 o'clock, noon, or within legal hours, the following described real estate, to-wit:—  
 That lot or parcel of land known as Lot No. Nine of the Georgia Stewart land joining Lot No. Eight and the Corbett and Green lands, and fronting 51 feet on a 20-ft. street; and runs back thence 100 feet; said lot lying in the Northern part of the Town of Shelby, N. C., on the South side of Buffalo street; and being the same lot that was deeded to Georgia Stewart by deed dated December 1, 1909, and being on record in Book of Deeds "UU", at page 15, of the Registry of Cleveland County, N. C., to which deed reference is hereby made for further description and identification.  
 This 24th day of September, 1925.  
 GEORGIA STEWART, Mortgagee.  
 Chas. A. Burrus, Atty.

## Where The Dairy Cow Leaves Her Mark

The Dairy Cow puts the stamp of prosperity and good living on the farm.

It is evidenced by the fine gardens, the fine truck patches, the rich spots, the fine bunch of incoming calves, the good looking flock of poultry, the fat and growing pigs and finally in the BANK ACCOUNT.

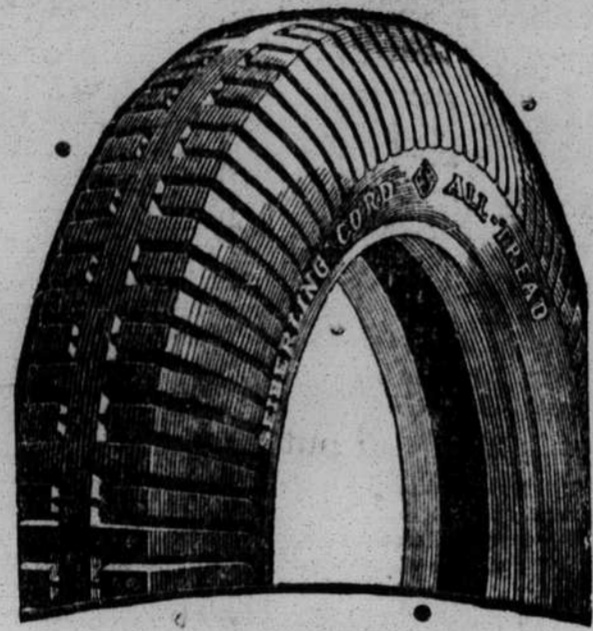

If you are not keeping dairy cows and selling us your cream, it is because you do not appreciate what a fine, profitable business dairying is.

A quarter of a million dollars a year is paid to Cleveland County farmers for butter fat through the creameries. Send your cream to the

## Double the Mileage at Half the Cost

Only a few years ago a 32 x 4 cord tire listed over \$50.00. Today, you can buy the highest quality 32 x 4 tire—a Firestone Gum-Dipped Cord—for about \$26.00.

Last spring crude rubber cost tire makers around 40 cents a pound. Today, it is over 90 cents a pound.

It was not so long ago that 7,500 miles represented the average life of a cord tire, while today, 15,000 miles—and more—is only the usual performance for a Firestone Gum-Dipped Cord.

Due to large, concentrated production, specialized machinery and simplified factory methods, together with economical distribution, Firestone is able to keep tire prices low—no matter where the price of crude rubber goes.

And, because of special Firestone processes, chief among which is Gum-Dipping, motorists are today getting thousands of extra

miles by using Gum-Dipped Cords.

Gum-Dipping is an exclusive method used by Firestone. It is an extra process, carried out in special Gum-Dipping plants, after which the cords are put through the usual calendaring machines. Gum-Dipping insulates and impregnates every fiber of every cord with rubber, and practically eliminates internal friction and heat, and builds strength and endurance into the tire.

In the day-in and day-out service of taxicabs, buses and trucks—on the cars of hundreds of thousands of motorists everywhere—Gum-Dipped Cords are giving unheard-of mileage, dependability and satisfaction.

Get ready for the coming months of slippery pavements and bad roads. Assure yourself of greater safety, comfort and economy by equipping now with Firestone Full-Size Gum-Dipped Balloons.
