Double Springs News Of Recent Interest

(Special To The Star.)
Double Springs, Nov. 10.—Notwithstanding the inclement weather on Sunday a good sized crowd came out to Sunday school and to hear Mr. Roland Hamrick, a young ministerial student from Boiling Springs High school, who preached, in the absence of the pastor, Rev. J. W. Suttle, who is visiting a sick daughter, Mrs. Joe T. Cabaniss in Hartford, Conn. Mr. Hamrick is a splendid young man, in whom his fellow students and all who know him have absolute confidence. He spoke on "The Choice of Living". He showed clearly that man is master of his own destiny and that there are only two ways to live—the right and wrong way. There is no neutral ground. We must live either for the Lord or against Him. The congregation was well pleased with the message and many expressed a desire to hear him again.

On Sunday night the church building was literally packed. Many being seated in the gallery, to witness the pageant, "The Voice of the Future" which was given by the Sunday school officers and teachers. This pageant vividly showed the great responsibility the community, day school, and the Sunday school owed to the children of today. But first of all and greatest of all was the home life responsible to the child for its training, and that the parents have duties that can be performed by no outside agency. Among the churches represented were: Sandy Plains, Lattimore, Beaver Dam and others.
