

### S. SHELBY SCHOOL ITEMS OF INTEREST

(Special to The Star.)  
Mrs. Nash's section of the first grade gave an enjoyable program Tuesday morning. They are learning a new song "Old King Cole". The following is the program which they gave Tuesday morning during Chapel period.  
Song: "Bring them In".  
Bible Story: Mrs. Joe Nash.  
Primary Prayer.  
Vocal Selections: (a) "Old Rug-wood Cross" (b) "Honolulu March".  
Song: "Old King Cole".  
Recitations: Mary Henry, Tom Kale and Eugene Horne.  
Song: By two third grades.  
First Grade Orchestra: "Twinkle, Twinkle Little Star."  
The sixth grade recently memorized the "Beatitudes" and recited them for us last Thursday during the regular chapel period. Arthur Byars and Evelyn Williams also sang a duet for us which we thoroughly enjoyed.  
Teachers reporting "no tardies" in their rooms during the past week are as follows: Misses Ann Adams, Hart Sheridan, Mr. Yates Blanton and Mrs. Joe Nash.

**Observe Lincoln Day**  
Lincoln birthday was observed Friday morning in the South Shelby school during chapel period. After Miss Sheridan read the 14th chapter of John, Helen Whitner gave us a brief sketch of Lincoln's life. Hugh Ledbetter delivered Lincoln's peerless "Gettysburg Address." Mr. Blanton read for us Lincoln's favorite poem "O, why should the Spirit of Mortal be Proud." Famous sayings of Lincoln were given by Halbert Ferris, Gordan Hamrick, Ray Ellis, Ola Lee Glascoe, Robert Peters and Stella Bostic. Edith Blanton recited for us "Captain, My Captain" a poem written by Walt Whitman as a tribute to Lincoln. Lena Hamrick also read a tribute to Lincoln. Misses Howies and Adams and Mrs. Shovins Beam sang several selections for us. Pupils who took part in the Lincoln program were from the 6th and 8th grades.

**New Library Books**  
The following new books have been received in the library during the past week: A Book of Children; A Book of Letters and Numbers; The Cat that was Lonesome; The mouse that Lost her Tail; American Book of Golden Deeds; Around the World; Work a Day Doings; Robinson Crusoe; Mother Goose Melodies; Book of Folk Stories; Dixie Kittens; The Doers; Farmer and His Friends; Golden Goose; Japanese Twins; Belgian Twins; Davy and the Goblin; French Twins; Italian Twins; Mexican Twins; Popsy Ring; Puritan Twins; Swiss Twins; Birds Christmas Carol; Irish Twins; Little Girl of Long Ago; The Cruise of the Dolphin; Summer in a Canyon; Betty Leicester's Christmas; Dutch Twins; Eskimo Twins; Life of Robert E. Lee.

A Harmonica club has been organized in the South Shelby school. It has to date fifteen members. Watch this club grow!  
Our primary pupils had a nice time fixing their rooms for St. Valentine Day. Most of these rooms had Valentine postoffices where the little folks mailed their Valentines to be delivered to the right address. The teachers deserve a lot of credit for decorating their rooms so beautifully for this occasion.

Monday morning during chapel period the pupils of the seventh grade gave us a number of interesting "Current Events" which were clipped from newspaper. Reading a good daily newspaper is a good habit to form.

The largest crowd that we have had at our entertainments since school started was last Friday night when Mrs. Grady Lovelace presented her pupils in recital. In addition to the one who took part in the recital there were others who took part in the choruses, demonstrations harmonica selections and declamations. This entertainment was especially for the mothers and fathers. The pupils who took part did well.

#### JOHN McCORMICK NOW INSURED FOR MILLION

John McCormack has insured himself for \$1,000,000 and will, within a few years, begin receiving payments of annual installments so that he will have the entire amount of his policies back by 1936. It is said to be a record figure for endowment insurance.

Mr. McCormack gave his age as 41 years. He took out his first endowment policy seven years ago. Mr. Hoey said so that in three years he will start collecting at an average of \$200,000 a year until he reaches the age of 51.

These annual payments, taken in connection with the royalties he receives from the sale of his phonograph records and the proceeds of his concerts, will insure Mr. McCormack an annual income between the ages of 45 and 51 which it was said yesterday is expected to rank with those of the wealthiest financiers.
