Delightful Meeting of Afternoon Division No. 1.
A delightful meeting of the afternoon Division No. 1 of the Woman's Club was held in the club rooms on Thursday afternoon at 3:30 o'clock. The room was beautifully decorated with red roses and ferns making a charming setting for the club members. The hostesses of the afternoon were, Mrs. Fred Morgan, Mrs. Hugh Mauney, Mrs. Reuben McBrayer and Mrs. E. A. Houser. Mrs. B. O. Graham was the leader of this meeting and the subject of the afternoon was "Damaged Souls." The first paper on the program "Vanity and Cursed Disposition" was treated intelligently and interestingly by Mrs. Alger Hamrick. This was followed by a carefully prepared paper on "Paine, The Rebel," by Mrs. J. O. Lutz. Mrs. Rush Hamrick read a most entertaining paper on "Gamaliel Bradford—Spiritual Silhouettist," which was written in a splendid way by Miss Annie Hamrick. The club was especially favored by two delightful musical selections, a vocal solo "Tosti's Good Bye" sung exceedingly well by Miss Anne Adams and an instrumental solo, "To Spring" played exquisitely by Miss Ruth Howie. At the conclusion of the program the hostesses served sandwiches coffee and sweets.

Young-Hoyle Wedding.
Coming as a complete surprise to their many friends was the wedding of Miss Hattie Hoyle and Mr. Ried Young which was solemnized on Tuesday afternoon at five o'clock at the home of Judge and Mrs. John Mull, sister and brother of the bride. Rev. Dr. H. K. Boyer officiated in the presence of only the immediate family. The room where the ceremony was performed was beautifully decorated with sweet peas, carnations and ferns. The bride and groom entered together and stood before an improvised altar where the solemn vows were taken. The bride wore a charming suit of green with tan shoes hat and accessories. She wore a lovely corsage of sweet peas and valley lilies. She is a beautiful and attractive young woman a graduate of the high school of last year. For the past year she has been a valuable assistant of the Building and Loan Co. connected with Mr. John Mull. Mr. Young is one of Shelby's most promising and popular young business men and the son of Mr. and Mrs. Charles Young. Miss Hoyle has been making her home with Mr. and Mrs. Mull for the past five years. Immediately after ceremony Mr. and Mrs. Young left for a bridal trip. Upon their return they will be at home for the present with Mr. and Mrs. Charles Young. Their many friends wish them much happiness.

Lovely George Washington Party.
Mrs. Ceph Blanton, always a charming hostess, gave a most beautiful George Washington party to the members of the Embroidery club at her hospitable home on Thursday afternoon at 3:30 o'clock. Patriotism was displayed in the decorations of beautiful flags used abundantly in the attractive rooms. Rich red roses and ferns graced the mantels, tables and piano. Six tables of rook and bridge was played during the afternoon. Centering the tables were miniature flags and the place and score cards carried out the red and white and blue flag idea. The games went merrily for an hour and at their conclusion it was found that Mrs. Ralph Royster had scored highest in bridge, and she was given a beautiful tray cover. Mrs. Nelson Lattimore lead in rook, and she was given a lovely towel. Mrs. Dick Gurley guest of honor was presented with an exquisite guest of honor prize. Mrs. Blanton served the most elegant and delicious salad and sweet course carrying out the flag idea in red white and blue, the sandwiches being tied with this tri-colored ribbon. The most unique and attractive souvenirs in the shape of

cocked hats of the George Washington style, cherry trees and hatchets, filled with nuts and candies were given to each guest and they all voted it one of the happiest and loveliest afternoons ever spent by the Embroidery club. The outside guests were the popular teachers of Shelby.

Attended Beautiful Party in Cherryville.

Mrs. J. Heyward Hull, Mrs. John McClard and Mrs. George Hoyle, attended a beautiful party in Cherryville on Thursday afternoon given by Mrs. Dave McClard. The charming home was lovely with its decorations of handsome cut flowers and eight tables of rook was played during the afternoon. Elegant refreshments were served. Guests from Kings Mountain also attended.

Circle No. 4 of Methodist Church Meets.

Mrs. F. R. Sanders had a most delightful meeting of the Circle No. 4 at her home on Monday afternoon. After many interesting readings and a charming musical program rendered by Miss Alice Sanders and Mrs. Bennett, a George Washington contest with Bible quotations was much enjoyed. Each letter of George Washington was made into a Bible verse and quite a good deal of thinking was entered in over this. After the contest Mrs. Sanders served delicious punch and sandwiches.

Miss McEntire Wins Beauty Honor.

Friends of Mr. and Mrs. J. B. McEntire former residents of Shelby, will be interested in knowing that their young daughter, Miss Shirley McEntire who is attending Brenau college, Gainesville, Ga., has been voted one of five of the most beautiful and attractive girls in this school where there are 825 students.

Miss McEntire who is very talented when a tiny babe, carried off the prize at a baby show in Shelby. She graduated with honors at the Roanoke city high school at the age of 16.

As You Were

Philadeipna man called up a bird store the other day and said:
"Send me 30,000 cockroaches at once."

"What in heaven's name do you want with 30,000 cockroaches?"
"Well replied the householder, "I am moving today and my lease says I must leave the premises here in exactly the same condition in which I found them."

Tribute to A. C. Irvin.

Charity and Children.
For a quarter of a century I was intimately acquainted with Brother A. C. Irvin, who was transferred a few months ago from the church militant to the Church Triumphant, and I can truly say that he was one of the noblest and truest men I have ever known. His word was his bond, and he had the unlimited confidence of all who knew him and I am sure he had not an enemy in the world.

He was a preacher of the Gospel, both by precept and example for more than 50 years. And his ministry was singularly prolific. He baptized 3,000 persons as a result of his labors which continued unabated up to one year ago. He fully exemplified in his life the teachings and the power of the Gospel, and when the final summons came he was ready, having fought a good fight, finished his course, and kept the faith.

As a fitting close to a useful and consecrated life his passing was radiantly triumphant. "Mark the perfect man and behold the upright for the end of that man is peace."

Fifteen Thousand Dollars Per Month.

The farmers of Cleveland County received around fifteen thousand dollars per month for cream through the creameries in 1925.

This amount could be doubled easily if every cream patron would study proper feeding housing and better cows.

Safe farming is the raising of hogs, poultry, cattle, and all feeds, grains and other food crops necessary to supply the farm and the putting of all surplus labor and land into the money crops. This, in a large measure, reduces the speculation of farming.

Too much money is going to the outside for corn, hay, oats, flour, canned food, meats, etc. Let's stop it—by raising our own food—both for man and beast.
