True Sport

Squire Perkins had stopped on the foot-bridge to watch his neighbor who was fishing from the bank. "Caught anything?" inquired the squire. "Nope," was the reply. "Had any bites?" "Nope." "How long you been fishing?" "Since breakfast." "Well," remarked the squire, "can't be very good fishing around here." "Tain't," admitted the fisherman, "but it's a heap sight better'n no fishin' at all."—The American Legion Weekly.

Some are world weary cynics at 45 some say that way; and some have minds that keep on developing.

After a life study of the situation, we are convinced that the easiest way to get money is to sweat for it.

Queer how a fellow who has no time for a garden will spade two hours to get a can of fishing worms.

S. SHELBY SCHOOL ITEMS OF INTEREST

(Special to The Star)
Miss Margaret Young of Forest City, who visited Miss Frances Hoyle recently was a pleasant visitor to our school last Monday.

We do believe the teachers and pupils are trying to out-do each other in having the best chapel program. The chapel program Friday directed by Miss Adeline Bostic was splendid. Eighteen of the first grade pupils participated in this program. In addition to recitations and songs Miss Bostic's pupils presented a playlet entitled: "Mother Goose at Home." This play was the best part of the program. The cost of principal characters is as follows:

Mother Goose—Ruth Hendrix. Betty Blue—Selma Benoy. Jill—Mary Toms. Mistress Mary—Beulah Price. Miss Muffet—Edith Anthony. Bo Peep—Margaret Toms. Tommy Tucker—Clifford Hughes. Jack—James Smith. Boy Blue—Fred Leight. Jack Horner—James Morehead.

Supt. I. C. Griffin, Mrs. T. G. Moss head, Miss Johnnie Blanton, Mrs. Willis McMurry, Virginia McMurry, Willis McMurry Jr., and David Royster and Evelyn Blanton were welcome visitors to our school Friday. It makes us feel mighty good for patrons of the school and others to visit us.

We are indeed grateful to Mrs. Willis McMurry for her beautiful potted plants and to Mrs. D. W. Royster for her lovely porch furniture. Both flowers and furniture added greatly to the appearance of our library.

It was Webster who said: "The longer I live, the more highly do I estimate the Christian Sabbath, and the more grateful do I feel toward those who impress its importance on the community." Fine memory gem for the blackboard.

Dr. Zeno Wall, pastor of the First Baptist church who is assisting Rev. Rush Padgett in a meeting was with us Thursday morning during our chapel period and brought us a helpful and worthwhile message. A helpful composed of the following men: J. J. Lattimore, Tom Lattimore, Mal Spangler and Rush Hamrick was also with us at this time and brought us a message in song.

We are quite busy now getting ready for commencement. The date is May 28th. We are to have a decla-

mation and recitation contest, an operetta, Walter Camp demonstration and three splendid choruses. A tub write up will appear in The Star later. The following teachers had no tardies in their rooms during the past week: Misses Sara Warren, Minnie Warlick, Adeline Bostic, Ann Adams, Hart Sheridan, Frances Hoyle, Messdames, Joe Nash, Tom Moore, and Ransom Casstevens.

Baseballs, bats a mitt and a breast plate have been added to our baseball equipment with the money which our boys made at their "Beauty Contest" several weeks ago.

SOUTHERN RAILWAY SYSTEM PLACES LARGE RAIL ORDER

Announcement is made by the Southern Railway System that contracts have just been awarded for the purchase of 45,200 tons of new steel rails for delivery during the latter part of the year. This is in addition to 46,200 tons ordered for delivery during the first half of 1926 and makes a total of 91,400 tons of new rail for the year.

The largest share of the new order, 38,600 tons, was placed with the Tennessee Coal, Iron & Railroad Company, and the steel will be fabricated at its Ensley, Alabama, plant; 4,600 tons were ordered from the Bethlehem Steel Company, and 2,000 tons from the Illinois Steel Company.

The new rail will be in the standard 39-foot length, most of which will be of the 100-pound to the yard weight. It is estimated the rail purchased by the Southern for 1926 is sufficient to re-lay approximately 650 miles of track.

Adding Insult to Injury

Anger was more prominent than any other expression in the great comedians face. He stormed up and down his drawing-room, the perspiration standing out in beads upon his brow.

The call-boy appeared in the doorway, but beat a speedy retreat. He returned with the stage-manager.

"Now, Loper," said the lattes, "what is the matter?"

"I decline to go on after the monkey act," retorted the irate actor.

"Why?" queried the other blandly.

"Are you afraid they'll take you for an encore?"—London Answers.

We shall not expect the millennium until sentimentalists give their sympathy to the victim instead of the criminal.

WITH A RING IN HIS NOSE

You have seen him.

Magnificent in his strength, rolls of muscle around his bowed neck, his knurled horns separated by creases about his eyes, —these furrows being themselves expressions of dignity.

Sleek despite his massiveness, there was pride in every stately step.

But there was a ring in his nose.

Attached to the ring was a chain.

At the end of the chain was—possibly a small boy.

A travesty?

Perhaps.

Yet the ring was there, and that little ring held him subservient to the will of lesser strength.

When we see the young man—or the older man, for that matter—unable to resist the temptation to consume every dollar of his earnings in one continuous round of pleasure-seeking, there is a sub-conscious thought—

With a ring in his nose!
