

Putting It Straight

BUT EVEN AN ENGINEER DUBS SOMETIMES

Unavoidably one of the location engineers on the Cleveland Springs Estates was ill with ptomaine poison this week and it was impossible to stake and mark all the home sites in the beautiful Hill Top section.

THEREFORE RESERVATIONS IN—

Cleveland Springs Estates
"Carolina's Most Dependable Development"

ARE WITHHELD UNTIL FRIDAY NOON.

A Beautiful City In The Country

Pull back the curtain of vision and see in the near future the beautiful green hills at Cleveland Springs dotted with fine residences. The playgrounds swarming with happy, healthy children; the swimming-pool splashing with mermaids and divers; the golf links thronged with eager golfers. A CITY IN THE COUNTRY WITH ALL THE CONVENIENCES OF THE CITY AND ALL THE BEAUTY AND REST OF THE COUNTRY.

In the days to come the Cleveland Springs Estates will be the proud residential section of Shelby. There will live the men who have vision, the women who love beauty. It will not take a millionaire to own a home there. For Cleveland Springs Estates is the "Most Dependable Development in the Carolinas" because it offers the privileges of a country club homesite at a price within the reach of those who create popularity. Why wait and pay a profit to the man with vision. See your favorite realty dealer Friday afternoon and make your reservation. Let him show you the beauty of Cleveland Springs Estates.

Where Society Will Dwell

About the alluring patios and inviting tea gardens of the big Spanish club house the outstanding social events of Shelby and section will be held. There will gather the visiting notables, golfers, and vacationists. A home site in the Cleveland Springs Estates carries with it resident privileges of the club house, golf course, swimming pool, playgrounds, mineral springs, bridle paths and other attractions.

MAKE YOUR RESERVATION FRIDAY AFTERNOON.
