What Is a Diuretic?

People Are Learning the Value of Occasional Use.

> E VERYONE knows that a lax-ative stimulates the bowels. A diuretic performs a similar function to the kidneys. Under the strain of our modern life, our organs are apt to become sluggish and require assistance. More and more people are learning to use Doan's Pills, occasionally, to insure good elim-ination which is so essential to good health. More than 50,-000 grateful users have given Doan's signed recommen tions. Scarcely a community but has its representation. Ask your neighbor!

DOAN'S PILLS Stimulant Diuretic to the Kidneys Foster-Milburn Co., Mig. Chem., Buffelo, N.Y.

PAINS ALL OVER

Lady Says She Took Cardui and Never Saw Such Improvement-Was So Weak Couldn't Stand.

Weathersby, Miss.-Mrs. James M. Hall, of this place, writes that she was "getting weaker all the time" when Cardui, the woman's tonic, was first brought to her attention After she had taken Cardui a while, she writes that she "never did see

such an improvement."

"I suffered all the time and had pains all over," says Mrs. Hall. "I was so weak I could not stand. My skin was cold and flabby. I did not have any color. I had always been a very active woman—used to outdoor exercise, walking and going where I pleased, and to get down, not able to get myself a drink, was indeed a hardship.

"Nothing seemed to help me, till I began on Cardui. The first bottle seemed to strengthen me, and I sent for five more. By the time I had taken these, I was on my feet, going around, doing my work, gained in health and strength.

"I took two more bottles, and I am well and strong. Can work my garden. I haven't had any more

garden. I haven't had any more sickness." Ask your druggist.
