BATCH OF KINGS MT. NEWS; TWO CHILDREN BREAK ARMS; ONE MAN KILLS 200 CROWS

Kings Mt.—We are glad to see Mr. Fred Finger back home after a visit of some two or three weeks to relatives and friends in Virginia. He has been very sick for the past two weeks, but is much improved at present. He is suffering from ground ivy poison, but this too is improving. Mr. Finger is a man we miss when he is out of town.

Troy Carpenter has had a singular experience for the past two weeks. Last Thursday a week ago his eighteen months old baby fell out of a window and broke his arm; last Sunday evening his little girl, Carolyn, fell from the porch and broke her arm. Troy says he has one more child with a whole arm, but he is expecting it to get broken almost any time.

Mrs. Frank Lindsay has a very sore foot. She got her foot or rather her ankle cut while cutting a little kindling a few weeks since and this gradually grew worse until it has become a very stubborn sore. She is confined to her bed. We hope that she may soon be herself once more.

Linden Bibbers who has been confined in the Charlotte Sanatorium for the past three weeks was able to be brought home last Saturday. He is doing nicely since he came home. He has been suffering from rheumatism.

The Patterson Grove folks had a nice ice cream supper last Saturday evening. The Kings Mountain concert band furnished the music for the occasion.

Mrs. Bonnie Ruddock returned from Atlanta, Ga., last Thursday evening where she had been spending her vacation. She went back to Gastonia Monday to take charge of her work. She is stenographer for a large firm there.

We sympathize greatly with Mr. C. A. Oates and family in the loss of their son-in-law, Mr. Frank Steele who died in Charlotte last week. Mrs. Steele has two small children to care for.

Mr. Julius Wright had a very serious wreck last Sunday afternoon. He and his wife, his brother and his wife started to visit Mrs. Wright's mother in South Carolina and when he was almost there, his car turned turtle and threw all of them out. Mrs. John Wright was the only one much injured. She is suffering considerably with flesh wounds. No bones seem to have been broken. The car was almost completely ruined.

Mr. Jasper Barnett, Miss Sophia Berghauer, Miss Forbes, Miss Ferguson, Miss Bibbe, Mr. J. T. Thomas and Mr. Ben Favell, the S. S. board teaching force now engaged at Gastonia, came to Kings Mountain last Tuesday and took Rev. C. J. Black with them over to the battleground. The trip was a new one for them and they greatly enjoyed it because they realized for the first time that this battle was the real turning point in the American revolution.

Completing Church Annex. The building committee that has charge of the new Sunday school annex at the First Baptist church is trying its best to get the building completed by the first Sunday in October. The plastering is being done this week. The concrete man is here ready to put in the floor in the first story just as soon as plastering is completed. The annex is two stories high and will have quite a number of good Sunday school rooms in it.

The male chorus class of the 1st Baptist church is doing much good this week. The number of those taking interest is increasing fast. The chorus is going to have charge of the music at the Baptist church next Sunday morning. We are expecting a great crowd and some of the best music we have ever had at this church.

A revival of much force has been going on at Grace M. E. church for the past two weeks. Thirty-five have made profession of religion thus far. The meeting will continue over next Sunday. Pastor Pless is doing his own preaching. The home choir is doing the singing.

Editor Page and J. L. Loden went to Charlotte last Thursday on business. Editor Page is just about as busy these days getting ready for promotion day at the 1st Baptist Sunday school as a one-eyed nigger is at a two-ringed circus. He is all astir trying to get house and teachers ready for that day.

Mr. and Mrs. Harry Keeter visited Mr. D. J. Keeter at Grover last Sunday.

Kills 200 Crows. Mr. Ira Patterson is the champion crow killer of this section of the county. Last year he killed several hundred. This year he has not gotten more than 200. He has been sick so much of the time that he could not get out to hunt them this year.

The ladies of the 1st Baptist W. M. U. gave Mrs. Raymond Cline a shower last Wednesday afternoon. They all report a nice time and a very fine shower. It was an entire surprise to Mrs. Cline. This is a custom the folks have here that we have not heard tell of anywhere else. It works well and does lots of good.

The Keeter boys says that they had a great day last Saturday. Kings Mountain is coming to its own as a mercantile center. We have some up-to-date stores here now, and things bid fair for us to have still others. Our merchants are

a wide awake set now. They are going to make Cleveland county folks set up and take notice this fall when they put on their real fall line of goods. W. M. Hord has just opened a new up-to-date grocery store next door to the Baptist church, and a new furniture store is getting ready to open next door to the moving picture theatre.

McGill-Fulton Wedding. A marriage of much interest is going to be celebrated here next Wednesday morning at 10 o'clock in the First Methodist church. It is that of Mr. Fuller McGill and Miss Mary Fulton. The groom is a son of the late J. T. McGill, and the bride is the daughter of our efficient undertaker Mr. Horatio Thomas as Fulton. We do not have two more popular young people in our town than those two. They will launch out upon the sea of matrimony with the best wishes of the entire town. Rev. O. P. Ader, pastor of the Methodist church here will officiate.

Mr. W. D. Weaver has just recently remodelled his home on Gold street. He had a very neat residence before he decided to remodel, but now he has a very attractive one indeed. The remodeling fever is contagious, so W. F. Logan who lives a couple of blocks further toward town than Mr. Weaver is working his residence over also. Hurrah for Gold street.

Mr. R. C. Gold was called home last Wednesday because of the serious illness of his aged mother. She lives in the Double Springs community.

Tillman Family Damaged by Storm

Cleveland County Family at Ft. Lauderdale Loses All House Possessions

Hall Tillman, of Fallston, says that information has been received from his cousin, Everett Tillman, saying that the latter and his family lost all of their possessions in the recent Florida storm, but were uninjured. The Florida death lists carried several by the Tillman name, but with the message from Everett Tillman it is believed that none of the Tillmans from this county were injured.

Mr. and Mrs. C. D. Stroup, prominent Fallston family, have been relieved of their suspense by the receipt of a message from Miami saying that their son, Yates Stroup, and his wife are safe. Mrs. Stroup is the daughter of Mr. and Mrs. A. W. Brackett, of Belwood.

Mr. T. A. Lee has also received a message from his brother, John Lee, in Miami, stating that he and his wife were not hit in the storm. Mr. Lee holds a position there as route manager with the Western Union.

So far as can be learned the only Cleveland county dead and injured were those published in Wednesday's Star.

IS COTTON CROP TOO LARGE ASK CLEVELAND FARMERS

(Continued From Page 1) million bale mark and in those years, 1899 and 1901 the crop was just a few thousand under ten million.

Modern machinery, more intense cultivation and improved methods have made a gradual increase in the yield. The largest crop on record was made in 1914. That year the price ranged from 9.35 to 14.50. In 1912 and 1913 the south made two crops over fourteen million bales and in 1911 there was a 16 million bale crop when the price ranged from 9.20 to 16.15. Eleven, twelve and thirteen million crops have been in the majority for the past twenty years.

13 Year Record During the civil war in 1864 a 1-300,000 crop brought the highest price on record. That year the lowest price was 72c, the highest \$1.90. Since the Civil war the highest price reached in the cotton market was in 1920 when it sold for 43.75 cents per pound.

Here is the record since 1914 when the largest cotton crop was made.

Year	Crop	Low	High
1914	16,738,000	9.35	14.50
1915	12,013,000	7.90	12.75
1916	12,664,000	13.35	27.05
1917	12,344,000	21.20	26.00
1918	12,186,000	25.00	38.20
1919	11,921,000	25.00	40.50
1920	13,700,000	13.16	43.75
1921	8,360,000	11.00	22.38
1922	10,320,000	15.03	26.87
1923	10,811,000	20.68	37.70
1924	14,497,000	22.15	35.70
1925	16,103,679	19.15	26.05
1926	15,248,000	21.25	

Is the South producing more than the world can consume? It would seem so since there is a carry over from last year of six million bales. If 15 million bales are made this year the carry over will be added by several million more bales.

By the way, what has become of that new manufacturing enterprise that was talked about town a month or so ago?

WHERE SAVINGS ARE GREATEST

WORLD'S LARGEST CHAIN DEPARTMENT STORE ORGANIZATION

J.C. Penney Co. INC. A NATION-WIDE INSTITUTION- DEPARTMENT STORES

RELIABLE QUALITY GOODS ALWAYS AT LOWER PRICES
