**Extra Years
 of Labor**

A nationally-known company decided, eight years ago, that one of their teams was ready to be junked. The stable boss begged the company to let him keep the horses. They did and he started to feed them Tuxedo Chop. These horses are still on the job today—8 years after they were declared too old to work. We will give the name of this company on request. Tuxedo Chop contains every ingredient the horse needs to keep him in the harness and the extra years of labor more than pay the feed cost. We carry Tuxedo feeds and recommend them.

Mission Program at Sandy Plains.
 Mr. J. P. Walker Entertains
 Friends at His Home.

(Special to The Star)
 New House, Oct. 13.—The weather in this section is rather rainy, and cotton fields are white. The rain is doing damage to the cotton. Last Sunday was State mission day. A mission program was rendered at Sandy Plains Sunday and a reasonable amount was collected for state missions.

Mrs. Coy Philbeck was hooked by a cow Saturday night and is very sick at present. We hope her a speedy recovery.

The many friends of Mr. J. P. Walker were entertained at his home Saturday night, it being his birthday. Many games were played and all enjoyed the evening. Among those present were: Misses Lala and Selma, Davis, Mary C. Brooks, Selma Humphreys, Belle Walker, Vernie Davis, Mattie and Ola Gettys, Vergie Brooks, Evelyn Daves, Doris Blanton, Reba and Verdine Doty, Sue Davis, Messrs. Harrill Melton, Virgil McSwain, Yates Brooks, Edgar Grigg, Hugh Jackson, Cletus and Buren Brooks, Roy McKee, Austin Daves, Frank McFarland, Yates and Yan Jen-Jenkins, Bill Gettys, Wytman and Herve Crawley, Walter Mode, Thomas Beam.

Miss Reba Doy has accepted a position at Cliffside.

Miss Belle Walker is at Lattimore as Mrs. Spurgin Walker has been critically ill. We are glad to note that Mrs. Walker is some improved as she was formerly of this place, being Miss Lottie Greene, daughter of J. F. Greene, before marriage.

Mrs. Elijah Jones of First Broad and St. Paul spent the week end in this section.

Mr. and Mrs. L. C. Price of Holis spent Sunday with Mr. and Mrs. O. C. Waters.

Miss Vernie Walker had as her guest Sunday, Misses Ostine and Luna Whitaker, Gladys Petty and Gladys Greene.

Mrs. John Humphries is at the Rutherford hospital. Reports from her bedside are that she is doing as well as could be expected.

Mr. and Mrs. F. M. Davis of Charlotte spent Sunday with Mr. and Mrs. W. Z. Davis.

Mr. Buren Brooks spent Sunday with Mr. Hugh Davis.

Mr. T. Greene who has been indisposed with tonsillitis is improving.

Mr. Herman Petty of B. S. H. S. spent the week end at home, visited the B. Y. P. U. Sunday night and made a splendid talk.

**Make
 Your Hens
 Lay More Eggs!**

You can do it—just give them Ful-O-Pep Egg Mash! Start right now—this week—and soon you'll be gathering more eggs every day. Hens *must* work when they get this exceptional feed because it gives them exactly the things that go to make eggs—plus Cod Liver Meal to make every other ingredient give more value.

Remember the name—Look for the blue-and-white striped sack!
