—USE THE—
BUDGET SYSTEM

By means of a budget system all expenses are determined upon a fixed percentage.

A great many individuals are adopting the budget plan—it is nothing more or less than a systematic control of their expenses, which is a much simpler means than drifting along in a "for MISS" fashion.

A simple method is to set aside one or more of what you make and live on the balance, and often there may be some left to add to a 10% fund.

Try the budget system for awhile; it may be beneficial.

LITTLE STARS

Cotton, Shelby spots 11-12c
Cotton Seed (per bu.) 30c

—Gets His Bid—In the recent fraternity rush at Davidson college Louis C. Roberts, of Shelby, son of Capt. and Mrs. J. Frank Roberts, became a member of the Delta Theta Chi fraternity.

—Bob Andrews Hurt—Bob Andrews, who is employed by the Southern Cotton Oil company, was injured yesterday afternoon, it is learned when a truck turned over with him. Late report today had it that he was not seriously injured although his injuries were said to be about the head.

—Tire Stolen—C. L. Hagar who lives with a stone's throw of the court square says thieves won't leave his Ford alone. After "borrowing" his car for a ride and stealing gasoline from the tank, they made another visit last night and stole a tire and tube from the wheel.

—Singing Convention—J. C. Bridges, director of the Union Singers convention calls attention to the meeting with Poplar Springs church November 14th. The convention starts at 1:30 and he is expecting four or five other churches to meet there. He urges the Sharon church to be on hand with song books.

—In Charlotte Hospital—The many friends of Mrs. T. W. Ebeltoft will be glad to know that she is convalescing in the Charlotte sanitarium after a minor operation performed Monday morning. Miss Elizabeth Ebeltoft is also going treatment at the sanitarium and her friends hope for her a speedy recovery.

—Trial 19th—The trial of Ralph Nanny of Charlotte, who was driving the car that crashed into another car owned by Miss Betty Wilson at 11:30 o'clock last Saturday night in South Shelby has been set for November 19. Miss Wilson is recovering from her injuries. Both cars were almost completely wrecked. Ralph Nanny is out on bond.

—Griffin Named—Governor McLean has appointed a group of prominent men from Western North Carolina to represent the state at the 29th annual convention of the American Mining congress to be held in Washington, December 7 to 10. Among the list of delegates is Mr. I. C. Griffin, superintendent of Shelby Public schools.

—Likes The Star—Renewing his paper from Pittsburgh, Pa., W. Arthur Peeler who went from Cleveland county 24 years ago, says "I have no objection what, vet to paying fifty cents a year more for The Star than last year since it comes every-other-day and the increase is so reasonable—less than a cent a copy delivered for the extra paper. I am always glad to hear from home folks and like The Star better every issue."

ELLENBORO STUDENTS BUILD CHICKEN HOUSE

Ellenboro—The agricultural students of the Ellenboro High school assisted by their teacher, are erecting a model chicken house along the lines of the state plan for Miss Bettie Green, who lives at the southern part of Ellenboro. The building is sixteen by eighteen feet and will house nearly 100 fowls.

The cement foundation was laid by the students last week within two of their ninety-minute class periods. The frame portion of the house is under way.

ROBERT McRORIE IS STABBED IN BACK

Rutherford Sun.
Robert McRorie, aged 17, son of Mr. and Mrs. W. C. McRorie, was stabbed in the back, just above his kidney last Monday afternoon about 5:30 o'clock as the result of an altercation with two negro boys. It is alleged the stabbing was done by Sang Thompson a young negro woman and a relative of one of the two colored boys, who were Odell Phillip and Roy Shelton.

Mr. Robert McRorie was taken to the Rutherford hospital, where an examination showed he was not seriously injured unless some unforeseen complication should arise. The knife wound was about two inches deep and just missed injuring the kidney.

Newton Cow Makes Record In Milk

The American Jersey Cattle club New York announces that exceptionally high production tests have been completed by two cows owned and tested by the prominent breeder R. L. Shuford, of Newton. Neobule's Lady 5th, a 12-year-old Jersey, produced 889.78 pounds of butterfat and 16,238 pounds of milk in 365 days. In every complete month of the year her yield exceeded 68 pounds of fat. A year ago Lady 5th won a gold medal for producing with calf 763.14 pounds of butter fat and 13,232 pounds of milk. With this latest record she became the state's highest producer over 12 years of age. Oakwood D's Ola Fox another great producer in the Shuford herd, recently completed a 365-day record of 747.11 pounds of butterfat, 14,306 pounds of milk. She made this record with calf, and thus qualified for a gold medal. She is a daughter of the new medal of merit sire which is also in Mr. Shuford's herd.

PERSONALS
Home folks you know on the go.

Mrs. Sam Schenck is visiting relatives in Atlanta this week. Mr. Carl Wilson spent Monday in Avondale on business.

Miss Blanche DePriest and Miss Pearl Humphries were Boiling Springs visitors the past week.

Mrs. D. B. Goforth, who recently spent several days in Asheville, has returned home. Mrs. Goforth went to the big town to be with her husband, whom it is understood has a very good position, having been absent from Shelby several months. While away Mrs. Goforth spent some happy hours with her two-months old grand-daughter, taking a grandmother's delight in the newly arrived addition to the family circle.

ARIZONA COTTON UNDER QUARANTINE

Washington, Nov. 11.—Although an injunction against enforcement of State quarantine measures has been obtained in the Post-Vale area of Arizona, this measure has no effect on the Federal quarantine time, it was held today by Secretary Jardine.

The agricultural department has issued a quarantine on cotton lint in all form, grown in such area and prohibited inter-state shipment. While the state quarantine cannot be enforced, the Secretary gave notice that the government notice must be met.

Large Crowd at Spake's Funeral

Fifteen Young Ladies Bear The Flowers Which Cover His New Made Mound

A large crowd attending the funeral services of Mr. Raymond Spake who was buried at Ross Grove Baptist church, the funeral being conducted by Rev. H. E. Waldrop, pastor. The community was greatly shocked Sunday afternoon when Raymond, as he was affectionately known, fell dead while roving in the woods with some friends, his trouble being with the heart.

He was born Feb. 11, 1904 and departed this life Nov. 7, 1926 at the age of 22 years, 8 months and 27 days. He was well liked by all that knew him and had many friends.

He joined the church at the age of eleven years and held his membership at Ross Grove where the interment took place. The pall bearers were Hershall Jones, Nollie Grigg, Heywood Spurling, Daniel Postman, Paul Weathers, Monroe Poston.

Flower girls were fifteen young ladies of the community. The floral offerings were profuse and beautiful, the grave being completely covered.

He is survived by his father and mother and five sisters and two brothers.

\$200,000,000 STOLEN FROM FARMERS YEARLY BY RAIN

Rushing rainwater sweeping over the fields of the United States carries away 20 times a much plant-food material every year as is permanently removed by the farmers' corps, says H. H. Bennett, soil scientist of the United States department of agriculture. Soil erosion takes \$200,000,000 out of the pockets of the farmers every year, he estimates. Yet most of the attention given to soil conservation is in connection with the compar-

tively insignificant loss of plant-food elements due to cropping; the much greater loss caused by erosion is almost completely overlooked. "Soil erosion," says Mr. Bennett, "is the most important problem confronting the conservation of our natural resources. When, for instance, our petroleum products are used up, fuel can be produced from the soil in the form of alcohol from potatoes, sugar cane and other crops; that is, if the soil is not wasted too."
