

MANUFACTURING CONCERNS, FINANCIAL INSTITUTIONS, RAILROADS. ETC., —USE THE— **BUDGET SYSTEM**

By means of a budget system all expenses are determined upon a fixed income.

A great many individuals are adopting the budget plan—it is nothing more or less than a systematic control of their expenses, which is a much better means than drifting along in a "HIT or MISS" fashion.

A simple method is to set aside 10% or more of what you make and figure to live on the balance, and often then there may be some left to add to your 10% fund.

Try the budget system for awhile; it may be beneficial.

Improving—Hugh Wray, prominent business man and superintendent of the First Baptist church Sunday school at Gastonia is recovering from an operation for appendicitis in the City Hospital at Gastonia last Saturday. Mr. Wray is the son of Mr. John S. Wray of Shelby.

Credit Mr. Sherrill—Unintentionally the credit line was left off the Thanksgiving contribution which appeared in Monday's Star it was written by our noble townsman Rev. C. F. Sherrill who contributes now and then to The Star. Our subscribers are always glad to read articles from the pen and mind of our consecrated friend, Mr. Sherrill.

Bitten By Pet—Harry Gordon McBrayer, jr., seven year old son of Mr. and Mrs. Harry McBrayer, at Anderson, S. C., was recently bitten by the pet dog of the family. The dog's head was sent off for analysis and it developed that the animal had rabies. The child is now taking the Pasteur treatment which requires three weeks. It seems to be improving.

In Hospital—Mrs. F. H. Lackey, of Fallston, has again entered the hospital for treatment. She was there about ten days ago and went home much improved, but her condition has taken a sudden turn for the worse and now she is quite sick, her many friends will be sorry to learn. Mrs. Lackey is a daughter of ex-sheriff W. D. Lackey.

Correction—Part of a "Little Star" which appeared in Monday's issue was left out through a mis-reading of copy. It meant to say that the ambulance had carried Mr. D. L. Troutman, well known local painter to the hospital for treatment and taken home Mr. W. P. McArthur who has been a patient there for several weeks. Mr. McArthur built many of the bridges in the county for Austin Bros. and now lives just west of the Blanton Bros. farm on highway No. 20.

Church Query For newspapers

"Do You Believe in God?" One of Questions to be Asked Through Newspapers.

New York.—American churches are to use daily newspapers to find out how many persons in this country believe in God.

The question "Do you believe in God?" and eleven others will make up a questionnaire to be submitted to newspaper readers all over the country by the church advertising department of the International Advertising Association early in December, it is announced.

The questionnaire will ask:
"Do you believe in God?"
"Do you believe in immortality?"
"Do you believe in prayer as a means of personal relationship with God?"

"Do you believe that Jesus was divine as no other man was divine?"
"Do you regard the Bible as inspired in a sense that no other literature could be said to be inspired?"

"Are you an active member of any church?"
"Do you regularly attend any religious services?"

"Would you be willing to have your family grow up in a community in which there is no church?"
"Do you regularly have 'family worship' in your home?"

"Were you brought up in a religious home?"

"Do you send your children to any school of religious instruction?"
"Do you think religion in some form is a necessary element of life for the individual and the community?"

Newspaper Man's Joke Has Tragic End In New York

New York.—A practical joke that resulted in the death of its originator seemed to have run its grim course when the man on whom it was pleaded guilty to first-degree manslaughter, laying himself open to a sentence, to be imposed later, of from ten to twenty years imprisonment.

When Gerald Dwyer and Joseph Ruffner were both copyreaders on a Washington, D. C., newspaper, Ruffner conceived the joke that was to end tragically. He told his wife to make an appointment with Dwyer by telephone, planning later to invite Dwyer to their home to enjoy his embarrassment at discovering the companion of his romantic adventure to be his friend's wife.

The wife followed instruction, but her meeting with Dwyer resulted in an intimacy which caused her to leave her husband. Later both men obtained positions in New York and Mrs. Ruffner returned to her husband. The two men met and in an argument Dwyer shot Ruffner.
