## A Word With the Old Folks

Elderly People Are Learning Importance of Good Elimination.

> N the later years of life there is apt to be a slowing up of the bodily functions. Good elimination, however, is just an essential to the old as to the young. Many old folks have learned the value of Doan's Pills when a stimulant diuretie to the kidneys is required. Scanty or burning passages of kidney secretions are often signs of improper kidney function. In most every community are scores of users and endorsers who acclaim the merit of Doan's.
