

COMMENCEMENT OF S. SHELBY SCHOOL

Musical Department Has Charge Program, Medals and Certificates Awarded.

(Special to The Star.) The commencement exercises of the South Shelby school were held on Thursday and Friday evening. The musical part of the program was under the direction of Misses Ruth Howie, Ann Adams and Mrs. Grady Lovelace, who are in charge of the musical department of that school.

"Snow White and the Seven Dwarfs" was an operetta which was presented Thursday evening under Mrs. Grady Lovelace's direction. More than 100 children took part in this operetta. The main characters follow: Princess Snow-White, Aileen Jones; the Queen, Evelyn Short; Arbutus, Ray Ellis; Daffodil, Irene Turner; Violet, Helen Wilson; Prince, Harvey Blanton; Earl, the Huntsman, Tommie Weaver; Max, Hal Whisman; Hans, Hubert Morehead. In addition the main characters there were seven dwarfs; thirteen forest children, ten little fairies and a chorus of fifty children. As a whole the operetta was a wonderfully creditable presentation. The stage setting of a forest scene was particularly pretty.

A "Garden Lullaby," "I Hear the Bees A-Humming," and "Rosa's Everywhere" was rendered on Friday evening by a chorus of fifty girls, their dresses being in exquisite pastel shades, and presenting an unusually effective scene. Quite a number of the girls had never participated in any chorus where there were two parts and the soprano and alto parts which formed a part of this brilliantly rendered chorus was well pleasing. These choruses were directed by Miss Ruth Howie, teacher of public school music in that school.

The songs, "Twinke Twinkle Little Star," "In Wooden Shoes," (folk dance) and "The Slumber Boat" presented by the three grades was well rendered.

A drill "Sweeping and Dusting" was presented by the two third grades under the direction of Misses Ann Adams, Ruth Howie, and Mrs. Tom Moore. The children in this drill were well trained.

Magnolia Carter and M. Y. Duncan, pupils in the fifth and sixth grades respectively won gold medals at the recitation and declamation contests held Friday evening. Magnolia Carter had for her subject "Just a Little Joy Ride" and M. Y. Duncan spoke on "Our Glorious Constitution." Miss Carter won the gold medal offered annually by Mr. Paul Webb and Master Duncan received the medal offered by Hon. O. M. Mull. Others entering and showing excellent ability and acquitting themselves most creditably were, Mary Sue Bell, Lena Hamrick, Ruth Williams, Ray Hawkins, Clarence Queen and Baxter Shull. The judges for this contest were Judge B. T. Falls, Mrs. George Hoyle and Mrs. John McKnight.

The spelling medal which has been offered for three years by Mr. J. D. Lineberger was won by Miss Lucille Blanton, an eighth grade pupil. Judge B. T. Falls in a few well chosen words presented this medal to the winner.

After the presentation of the medals 42 certificates were given to those who had neither been tardy nor absent during the year. They follow: Ray Ellis, Helen Whitener, Lucille Blanton, Annie May Bobbitt, Lena Hamrick, Elizabeth Blanton, Evelyn Short, Mabel Anthony, Magnolia Carter, Emma Ervin, Lloyd Green, Cothelin Hamrick, Matilda Peters, Louise Scruggs, Samuel Putnam, Julian Morehead, Arthur Ledbetter, Alena Blanton, Jewell Hill, Bessie Moore, Elizabeth Putnam, Elsie Whitener, Gordon Putnam, Kathryn Myers Blanton, Elizabeth Hughes, Carl Warlick, Mary Sue Hill, Max Hill, Vernia Newton, James Blanton, Herbert Morehead, Nell Morehead, G. W. Blanton, James Morehead, James Ervin, Clifford Hughes, Louise Whitener, Gordon Weathers, Florry McSwain, Prilee Eurner, Hyerrun Gladden and A. V. Smith.

CO-ED ATHLETES TO HOLD 1930 CONFERENCE IN MICH.

(By International News Service.) Itacha, N. Y.—Co-ed athletes will have their next national conference at the University of Michigan, Ann Arbor, in 1930, it was decided here as the American college women closed their meeting here after adopting a set of rules for conducting "sports for sports sake." The stumbling block of the conference came over the question of permitting men to coach co-eds in certain sports. Many declared that no woman could teach target shooting or horseback riding like a man.

A compromise was adopted whereby those colleges preferring the services of men coaches and advisors will be permitted to have them.

Many still long for the good old days when they could get a good old daze.

Great Price Reductions in Fanning's Stock Reduction Sale
