Badly Run-Down
Kentucky Woman Had "Terrible Time" Doing Her Home Work. Strength Returned After She Took Cardui.

Shelbyville, Ky.—"Several years ago," says Mrs. Alven Jesse, of this place, "my health was very bad. I was very much run-down. I was in such a weak, nervous condition that I was not able to do my housework. I struggled to keep up, because I had to, but many a time I spent hours in bed, trying to force enough strength to go through the daily routine.

"This condition went on for some time, until I heard about Cardui, which some one told me was good for such ailments. I gave it an immediate trial, and, I am thankful to say, my improvement was rapid. I soon was able to do my housework with ease and comfort. I felt fine and I looked so much better.

"This spring I was not as well as I had been. I was ill in the winter with colds, which left me weak. So I sent at once to the store for Cardui and began taking it. In just a little while I was feeling much better, my strength returned and I was able to get my work done easier and with less effort."

RUTHERFORD PLANS FOR A BIG FAIR

Forest City.—At a meeting of the board of directors and officials of the Rutherford county fair association, held at the office building at Spindale last week, plans for Rutherford's biggest fair were discussed. Chas. Z. Flack, of Forest City, was elected manager of the fair in addition to being president.

An elaborate Fourth of July celebration is being planned, which will be held at the fair grounds. Tentative plans are to hold an all day program and also have a program on the night of the fourth. A picnic dinner will be served, and a speaker of note will be present and address the crowd.

Athletic contests will be held some time during the day, as well as a number of other contests.

The officials are laying plans for the greatest fair ever held in the history of the county. More interest is being manifested than ever before, and all committee and officials are functioning and planning and taking care of the small details which are so essential to the success of the fair.
