Cleveland People In Cherokee About Road N. C. Line

Gaffney.—After hearing a delegation of citizens from Cleveland county, North Carolina, with reference to the matter, the Cherokee county commissioners in monthly session Tuesday adopted a resolution pledging Cherokee county to build a new road to connect Gaffney with the Ellis ferry place on Broad river providing North Carolina builds a bridge across the river at this point and also constructs a top-soil or improved type of highway direct from the bridge to Shelby says the Gaffney Ledger.

Such an arrangement would require the construction of something like six or eight miles of road by Cherokee county, it was stated. The ferry site is in Cleveland county.

First New Yams On Market This Week

J. G. Ellis of Shelby Route 3 brought the first new crop sweet potatoes to market this morning. This is much earlier than usual. With fine seasons it is indicated that the potato crop this year will be larger than usual.

Mr. Ellis sold the first bushel for \$2.50. He has an acre of Porto Rico and Nancy Halls grown from slips which he raised himself.

The frost bit the plants in April but they came out again and enabled him to furnish the first on the market. Mr. Ellis has gone in more for trucking this year than ever before.

New Train Will Have Eight Coaches

Shelby's first Pullman car service will be inaugurated Saturday when the new train passes Shelby going to Rutherfordton about noon with eight coaches and a heavy engine, Agent Harris says there will be one sleeper from Tampa, one from St. Petersburg and one from Norfolk, together with a dining car, two day coaches, one mail and baggage car. Probably a number of Shelby citizens will be at the station to welcome the train, going west about noon and east at 5:14.

Spindale Boy Dies From "Nose Bleed"

Spindale—William Scruggs, the eight year old son of Mr. and Mrs. J. S. Scruggs died last week from bleeding of the nose. The boy was a victim of the strange malady, often called "Bleeders" disease, and known to the medical profession as haemophilia, says the Rutherford Sun. For about a week the youth's nose had been bleeding at times and on Friday afternoon the hemorrhage became worse. He was taken to the hospital but died within two hours after he had been admitted to the institution, despite every effort made to save his life. Four other children, three boys and a girl baby, of Mr. and Mrs. Scruggs, had been afflicted with the same disease and preceded him to Shelby to the grave. Two sisters survive. The disease is hereditary but so far as is known for the past one hundred years no previous cases have been discovered in the ancestors of Mrs. Scruggs.

To Pinch Users Of Old Tags Monday

If you haven't a new state and city auto license plate on your automobile by Monday morning it will be a good idea to leave the petrol buggy in the garage until you get the new tags—that is the news put out today by Police Chief, A. L. Richards.

The chief here is of the opinion that a sufficient period of grace for late tag buyers will have elapsed by Monday and he states all motorists using old tags Monday will be towed in.

The summer term of Cleveland county Superior court will convene here on Monday July 25. Judge Michael Schenck will preside at the term, it is understood.

A heavy docket of cases is expected to come up at the term. The following jurors were drawn for the first and second weeks by the county commissioners in session this week:

First Week J. J. Green, Barney H. Blanton, Ralph J. Hamrick, O. P. Hamrick, J. S. Roberts, C. C. Sepaugh, G. E. Rippey, C. F. Thomasson, W. C. Ledford, M. A. Ware, Garland B. Borders, C. T. Cornwell, J. B. Royster, Wm. Bell, A. A. Hovis, W. F. Davis, D. H. Griffin, Griffin P. Smith, M. A. McSwain, D. B. Byers, H. L. Mauney, W. Y. Crowder, J. L. Hunt, W. W. Jenkins, E. Yates McBrayer, T. C. Brackett, Edgar O. Peeler, G. A. Green, J. A. Powell, Pet Harrill, Worth Hoyle, M. L. Lutz, W. E. Costner, E. H. Lutz, W. B. Cook, R. Kelly Spake.

Crop Damage By Storm On Monday

Reports come in of considerable damage by the storm of Monday evening and Monday night in the Penley's chapel section between Kings Mountain and Cherryville.

Corn and cotton crops were literally cut to pieces over a two mile territory it is said by the hail, rain and wind. In several fields reports are that nothing is left but the stems.

Barns, trees and outbuildings were blown down, one report telling of a barn being lifted and blown for a distance without injury to livestock that were in the stalls before the heavy wind lifted the barn away. The Kings Mountain Herald says that Sam Huffstetter, Boyce McGill and Clarence Ploker were among the farmers damaged by the storm.

Littlejohn Big With His "Gat"

A belated airing of a Fourth of July incident is scheduled for recorder's court today when Ashe Moore Littlejohn, colored, goes on trial charged with an assault with a deadly weapon on Ada Wilson, negro. The weapon was a peculiar make of 38 and Ada has a bullet through one of her legs, while the bullet is said to be resting in the leg of another negro man, Arthur Dexters.

The shooting, it is said took place up country at a Fourth of July "do" Monday night. Littlejohn alleged to have done the shooting hit Ada and the bullet kept going until it struck Arthur. The arrest was made by Officer Bob Kendrick.

Potato Storage Space Is Scarce

J. A. Harmon, manager of the Shelby Potato Storage house calls a meeting of potato growers to be held in the court house Saturday July 9th at 3 p. m. The purpose of the meeting is to make arrangements to store five thousand bushels in the Shelby Potato Storage house this fall. Space is certain to be scarce, says Mr. Harmon and those interested in storage, should meet Saturday and reserve the space they expect to need.

Revival Services At Norman's Grove

A series of revival services will begin at Normans Grove church on Sunday July 31, the fifth Sunday, it is announced. The hours of the service will be at 11 and 8 each morning and evening.

Rev. Ford A. Burns, of Mt. Holly will do the preaching.

Bootleg Fortune Poured In Sewer Here

Bootleg that would have sold for several fortunes was poured in the sewer pipes at the court house yesterday afternoon by Sheriff Hugh Logan and Deputies Greel Ware and Bob Kendrick.

For hours thereafter the aroma of many kinds of booze, from mellow apple brandy to dangerous white corn lighting, floated about the court house and kept numerous noses sniffing with twitches resembling the working of a rabbit's ears.

The liquor poured out represented that captured by county officers over a period of several weeks and stored in the court house for testimony. It is estimated that all the various kinds poured out totalled about 100 gallons.

The variety ran the gamut. There was corn, apple, tonato brandy, home brew, wine, extracts, ginger and so on. The containers ranged from five gallon cans to one gallon cans, jugs and bottles, quart jars, bottles, jugs, pints and half pints.

For about 20 minutes the sewer pipe at the court house was flooded with the captured rum. Such was the potent kick of some of the stuff that when air reached it the booze shot out the top of the can drenching the officers.

Dry Chief

Dr. J. M. Doran of Detroit, Mich., has been appointed national prohibition commissioner, succeeding Roy A. Haynes, resigned. Haynes' reappointment was urged by the Anti-Saloon League, but the league reports that it is well satisfied with the choice of Doran, who is reputed to be an ardent dry advocate.

GREAT PLANS FOR DR. SCARBOROUGH'S CLOSE ON SUNDAY

Preparations are under way for the closing of the Scarborough revival meeting at the First Baptist church Sunday when a final appeal will be made. Indications are that it will be the most successful revival ever conducted here with the additions reaching near the 100 mark. It is expected that the largest crowds will be here Sunday as the influence and inspiration of Dr. Scarborough's preaching has reached far and wide and the people are coming not only from all of Cleveland county but from all adjoining counties. The largest delegation from the outside was on Wednesday night from Lincolnton—more than a hundred strong.

Last night the storm prevented the use of the open-air assembly, but a great time was held in the church which was filled to capacity. Only twice so far during the two weeks revival, has the weather prevented the holding of the meeting on the outside.

The collection taken each night to help bear the expenses of the meeting has been quite generous. A committee making a canvass upon the church members has met with fine response. If the collection is enough to buy the lumber used in building the seats and choir loft, the outside place of assembly will be kept intact for the summer for vesper services during the summer months.

The Conquering Life.

Dr. Scarborough's Thursday morning sermon Romans 8 is the greatest chapter in the Bible and the greatest piece of literature in the world. It has a tenfold basis for the victorious life in Christ.

1.—In verse 1, it says there is no judgment for them that are in Christ. Condemnation is past.

2.—In verse 2 it says the law of freedom in Christ through the life
