

BRUMMITT HEADS STATE DEMOCRATS

Attorney General Succeeds John G. Dawson As Head Of Democratic State Executive Committee.

Raleigh—Dennis G. Brummitt, North Carolina attorney general, became Democratic state chairman by unanimous vote of the state executive committee after the resignation of John G. Dawson, of Winston, party chief for the last four years, had been accepted with an expression of regret. There was no opposition.

A resolution lamenting the death of Col. Austin D. Warts, of Statesville, was unanimously adopted. It was offered by former State Senator D. P. Giles, of Marion, whose nomination for its adoption was seconded by former judge John H. Harward.

Mr. Brummitt was placed in nomination as the successor to Mr. Dawson by Sumner Brawley, of Durham. It drew an enthusiastic second from James A. Hartness, of Statesville, W. C. Feimster, of

Newton, and Mrs. Palmer Jerman, of Raleigh, the latter speaking on behalf of the Democratic women of the state, expressing a keen regard for Mr. Brummitt's high character and capacity.

The announcement of the resignation of Mr. Dawson gave the brief meeting a dramatic turn with the retiring chairman speaking appropriately during his four years at the helm and thanking the committee and party workers throughout the state for their co-operation and assistance.

Attorney General Brummitt, speaking briefly following his election, declared that he should "not ever seek to serve any group or factional interest, but the great body of the Democratic party, and thus the state itself."

MAYOR THREATENS TO ARREST POLICE

Charlotte—Police here without driver's license were threatened with arrest and prosecution today by Mayor F. M. Redd unless they get the permits from the city. The mayor announced a drive against drivers without permits and said he had trustworthy information that some of the city and county police didn't have them.

Cherokee County Farmers Make It Without Depending Solely On Cotton

Gaffney—"Last fall a certain Cherokee county farmer we had accommodated with a loan of \$125 was forced to renew the obligation," C. M. Smith, president of the Merchants and Planters National Bank, said, according to the Gaffney Ledger. "A few days ago this farmer came in the bank.

"I want to see you about my note," he announced.

"I immediately picked up a blank and started to fill it in for a renewal.

"Hold on a minute," the farmer said. "I want to give you a check for that."

"How did you get hold of any money at this time of the year?" Mr. Smith said he asked.

"By selling milk and butter," the farmer replied.

He explained that whereas he was unable to meet the obligation last fall after selling his cotton, he had made sufficient money to discharge the debt by a small dairy business.

Another farmer who had been unable to pay a \$70 installment due the Federal Land Bank December 1 of last year came in the bank a few days ago and wrote a check for the amount with the interest added.

Mr. Smith asked him about the source of his income at this time of the year.

"I made the money selling beans, canteloupes and roasting ears," the farmer explained.

"These two examples show conclusively that the man who does not depend entirely on cotton is the best off," Mr. Smith declared.

"Personally, I believe the man living in the country has a splendid opportunity to make money out of chickens—selling eggs, friers, hens and roosters. It can't be done in town, but in the country where a man can produce his own feed and let his chickens range he can make a profit out of poultry."

ELLENBORO MEN PLAN HUGE POTATO WAREHOUSE

Forest City, July 20.—The members of the building committee of the Ellenboro Sweet Potato Storage company, have signed a contract with J. K. Blanton, of Caroleen, to erect a mammoth storage house.

The building will have a capacity of 5,200 bushels. It will be erected on the property of Mr. E. Hamrick, of Ellenboro, who has given the land to the company for this purpose.

The building is to be 24x60 feet with a partition through the center. Each section will be equipped with a stove and will hold 2,600 bushels of potatoes. By building the storage house in two sections it will reduce the cost of construction and increase the storage space per share. It is believed that each \$50 share will give a storage space of not less than 150 bushels.

DIAMOND HUNTERS START FOR VENEZUELA RIVERS

(By International News Service.)

Alameda, Cal.—To mine for gold and diamonds in the tropics, Lee Denison, Alameda prospector was bound for the Caroni river in Venezuela today. Denison took with him ninety-five crates of machinery.

On an earlier expedition to South America, Denison found fourteen diamonds in gravel along the Caroni river. Gold panning in the same stream yielded \$16.25 worth of ore to the cubic yard of gravel, Denison reported.

Guita-percha was unwittingly discovered by Dr. Thomas W. Evans, a Lancaster, Pa., dentist, while looking for a substitute for gold foil for tooth fillings.

Mr. and Mrs. J. L. Greene and daughters, Elsie and Frances and Mrs. Floyd Greene and children returned from Augusta, Ga., Saturday night.

Mrs. Zora White and daughter Eunice of Cliffside and Mrs. John Wright and Misses Ethel, Madge and Susan Wright spent the day Tuesday with Mrs. D. P. Washburn.

GIRLHOOD TO MOTHERHOOD

Iowa Woman Found Lydia E. Pinkham's Vegetable Compound Always Helpful

Vinton, Iowa.—"When I was seventeen years old I had to stay at home from school. I finally had to quit school, I was so weak. I suffered for about two years before I took Lydia E. Pinkham's Vegetable Compound, then I picked up one of your books and read it. I began taking the medicine. Now I am a housekeeper with six children, and I have taken it before each one was born. I cannot tell you all the good I have received from it. When I am not as well as can be I take it. I have been doing this for over thirteen years and it always helps me. I read all of your little books I can get and I tell everyone I know what the Vegetable Compound does for me."—Mrs. Frank Sellers, 510 7th Avenue, Vinton, Iowa.

Many girls in the fourth generation are learning thru their own personal experiences the beneficial effects of Lydia E. Pinkham's Vegetable Compound. Mothers who took it recommend it to their daughters as a dependable medicine.
