

### 12 Bales Ginned At Lattimore

First Football Game Sept. 23rd, the Day of the Fair, Methodist Sunday School Picnic.

(Special to The Star.) Lattimore, Sept. 13.—Cotton picking is getting well under way. Already the oil mill gin has ginned 12 bales of the fleecy staple. Our school has been running about one month and the attendance is greater than has been at any time in the past. The high school football team under the management of Coach Hord, is reported as making satisfactory progress. The first game of the season is slated for the 23 of September, between the Cliffside team and the Lattimore team, on the Lattimore ground.

The community fair will also be held on the same date at the school building. Members of the Methodist Sunday school enjoyed a nice picnic on last Saturday afternoon at Fites spring. A nice table was spread and an abundance of ice cream was served. There were about a hundred in attendance and every one seemed highly pleased.

We are soon to have a gymnasium at the school building. Prof. Lawton Blanton informs us that the contract for material has already been let. The community singing in the school auditorium on last Sunday afternoon was a grand success. Many noted singers from different portions of the county were present. Mr. and Mrs. G. T. Carswell and Mrs. Roth Alexander of Charlotte are visiting the family of Mr. W. A. Crowder.

Miss Sarah Singleton of Westminster, S. C., is visiting her sister, Mrs. J. C. Poteet.

Misses Thelma Horn, Lala Martin, Mattie Lou Johnson, Imogene Wilson and Wilbur Wilson are attending the teachers training school on East Marion street, Shelby.

Misses Albee Poteet and Lucy Mae Francis will leave on next Monday for Dayton, Va., where they will enter Shenandoah college.

Miss Edna Mae Brooks is reported as being real sick.

Mrs. J. P. Hulseley is ill at her home west of Lattimore.

Mr. J. B. Lattimore has recently had his residence newly painted.

### Casor Corner News Happenings

Casor Corner on Sunday School Picnic, Shower for Couple, Improving School.

(Special to The Star.) Casor, Sept. 13.—On Friday night September 10, the B. Y. P. U. gave a social at the home of C. A. Wort-

man in honor of Miss Docia Richards, vice president of the union, who goes to N. C. C. W. on Tuesday. After a number of games had been played punch and cake were served to about 30 guests.

The Casar Baptist Sunday school enjoyed picnic lunch at the foot of Bens Knob on Sunday. In the afternoon quite a number climbed to the top of the mountain. Professor Loy, principal of Casar high school was a welcomed visitor on this occasion.

Hugh Britain was at home from Kings Business college, Charlotte, for the week end.

Mrs. C. G. Morris spent last week at Cliffside with her sister. Mrs. Bridges has been quite ill for some time but is now rapidly improving.

Jerome Britain and family of Morganton spent Sunday with C. A. Britain.

Edward Buff left Monday for Greenville, S. C., where he enters Furman University as a junior.

The young people of the community gave a shower for Edward Buff and Docia Richards on Saturday night. Refreshments were served at the home of Miss Richards.

The students are still faithfully trying to improve the appearance of the school building. Windows are being cleaned, curtains hung, and walls washed. Several ferns and flowering plants have been placed in the class rooms. Soon we hope to begin work on improvement to the campus.

Miss Gwendolyn Rollins, the 4th grade teacher, spent the past week end at her home near Kings Mountain.

The nearest approach to the realization of a bar fly's dream was discovered here by "Fighting Jack" Johnson, leader of Rochester's prohibition squad, when his famous sledge hammer battered his way into one of Rochester's largest garages.

The statement by the garage management that the top floor was used for storage only was given the lie when agents turned a water tap in the basement. A clear, cool stream of the real old brew responded. Search of the top floor revealed a modern and expensively equipped brewery.

The product was piped to the basement where barrels and trucks were loaded.

No, Pauline, they are not called crossword puzzles because of the language your uncle uses.

One citizen of the dusty road said he did not belong to a profession he did not profess to work for nothing.

If the doctors could find a few medicines that are half as good as the ones advertised there would be no need of hospitals.

## ROSE'S

### 5-10 & 25c Store

Shelby, N. C.

### More About Our WONDERFUL Full Fashioned Silk Hose

WITH 28 BEAUTIFUL SHADES AT PRICE OF \$1.00.

Below Is A Testimonial Of Their Great Value:

Fruitland Institute, Hendersonville, N. C., September 13, 1927.

Messrs. A. V. Wray & Sons, Shelby, N. C.

Dear Sir:—

When visiting your splendid town in the summer of 1926, I invested in five pairs of Silk Hose and these hose came from your store at the unusual price of a Dollar a Pair.

They have worn splendidly and I have often thought that I would order from you again. I did order two pairs recently, through Mrs. Gibbs. I received these yesterday and so many are so well pleased that I am sending in an order and I will very likely be sending in orders off and on.

The order is on a separate sheet and will you ask the young lady who generally waits on Mrs. Emmett W. Gibbs to please fill the order for me.

It is on my recommendation of the fine quality and the wearing qualities of these hose that the girls are ordering—So of course I feel a special interest.

I am sure they will be delighted with the selection.

Very sincerely,  
(MISS) EVA C. SAMS.
