Renew Your Health By Purification

Any physician will tell you that 'Perfect Purification of the System is Nature's Foundation of Perfect Health." Why not rid yourself of chronic zilments that are undermining your vitality? Mill. Purify your entire system by taking a thorough course of Caletabs, -once or twice a week for several weeks and see how Nature re-wards you with health.

Calotabs are the greatest of all system purifiers. Get a family package with full directions. Ony 35 cts. at drugstores. (Adv).

MRS. BASSETT **ALWAYS TIRED**

Now in Good Health by Using Lydia E. Pinkham's Vege-

table Compound

Lansing, Mich.—"I have taken Lydia E. Pinkham's Vegetable Com-

pound whenever neededit. When I first used it I was so bad I could hardly room without crying. I was crying. I was tired all the time. I think my trouble was coming on me for six months before I

realized it. read of your wonderful medicine in the paper, and my husband bought me a bottle, and after the first few doses I felt better, so kept on taking it until I was well and strong. I take it at times when I feel tired and it helps me. I will always have a good word for your medicine and tell anyone what good medicine and tell anyone what good it has done me. I recommended it to my neighbor for her girl, who is sixteen years old, and it was just what she needed. She is feeling fine now, and goes to school every day."

—Mrs. E. F. Bassett, 216 South Hayford Avenue, Lansing, Michigan. Do not continue to feel all run-down and half sick when Lydia E. Pinkham's Vegetable Compound is

old by druggists everywhere.

Always Stiff and Achy?

Too Often This Warns of Sluggish Kidney Action.

I AME? Stiff? Achy? Sure your kidneys are working right? Sluggish kidneys allow waste poisons to remain in the blood and are apt to make one languid, tired and achy, with often dull headaches, dizziness and nagging backache. That the kidneys are not acting right is often shown by scanty or burning secretions. If you have reason to believe your kidneys are acting sluggishly, use Doan's Pills. Doan's stimulate the kidneys and thus assist in eliminating waste impurities. Users everywhere en-

BADLY RUN-DOWN

Kentucky Woman Had "Terrible Time" Doing Her Home Work.

Strength Returned After

She Took Cardui.

Shelbyville, Ky.—"Several years ago," says Mrs. Alven Jesse, of this

place, "my health was very bad.]

was very much run-down. I was in

such a weak, nervous condition that

I was not able to do my housework

"I struggled to keep up, because I had to, but many a time I spent hours in bed, trying to force enough strength to go through the daily

routine.

"This condition went on for some time, until I heard about Cardui which some one told me was good for such ailments. I gave it an immediate trial, and, I am thankful to

say, my improvement was rapid. I soon was able to do my housework with ease and comfort. I felt fine and I looked so much better.

and I looked so much better.

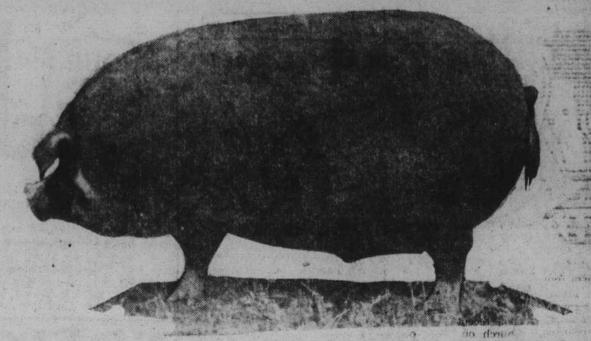

"This spring I was not as well at I had been. I was ill in the winter with colds, which left me weak. So I sent at once to the store for Cardui and began taking it. In just a little while I was feeling much better, my strength returned and I was able to get my work done easier and with less effort."

At all drug stores.

D. Watterson.

Little Miss Louise Carter of Gastonia is spending this week with her uncle and aunt Mr. and Mrs. J.

- A Record Hog At County Fair Next Week -

MAMMOTH PORKER

The friendly little porker shown above is said to be one of the largest hogs in the world. Visitors at the county fair next week may see the mammoth hog and pass their own cpinions.

The hog is owned by John Beam, local hog dealer, who purchased him last November

from Alcnzo Spake, R-1. At the time Mr. Beam bought the hog he weighed 730 pounds. The hog, a Poland-China, is four years old.

The present weight of the big hog, which will be one of the sights at the county fair almost equal to "Happy Jack" is not known, or at least isn't made public for there's going to be some guessing. However, it is said by conservative authorities that the hog will weigh close to 1,000 pounds. Some of the wild guesses range from 900 to 1,300

That it is perhaps the biggest hog ever raised in this section seems to be admitted.

Since March 1, last, the owner of the hog estimates that the porker has disposed of approximately 800 gailons of buttermilk purchased at the Shelby creamery

The hog will be on exhibit all of the five days next week, it is said, provided he can stand im and heat of the fair crowds

Smallest Circus On Earth Coming To Big County Fair Here Tuesday

one man and carries all the performers in his pocket.

The actors and actresses are fleas, and Prof. Alexander and his trained fleas will be here with the Johnny J. Jones Southern Expos. tion, which will furnish the midway amusement at the fair next

Skeptics are especially invited to be convinced that it is possible to train a common ordinary flea to do unheard of stunts. These tiny acters play football, run a merry go round, juggle, one flea pulls a chariot weighing 2,000 times its own weight, and the entire company stages a Charleston contest. Powerful magnifying glasses are provided spectators without charge thereby enabling them to see plainly every move of these tiny insects. The fleas apparently enjoy their work, even seeming to know their names when called by the profes-

Alexander acts as his own commissary department, for after each performance the fleas run up his sleeve and feast on his arm. As he "They feed me and I feed

The exhibition of trained fleas is one of the oldest in the annals of amusements, but at the present time there are said to be only three flea circuses in the entire world, and one is at the present time creating a sensation in a museum on Broadway, New York.

The smallest circus in the world "Midway King," and brings a wonis coming to town. It is operated by , derful collection of high class shows and latest riding devices. It will be by far the largest midway ever erected at the fair.
