LADY BOUNTIFUL IS DEAD IN OHIO CITY; DID GOOD

Cincinnati, Ohio, Oct. 12.—Mrs. Mary Muhlenberg Emery, 82, noted philanthropist, known as "Lady Bountiful," died at her home here last night. She had been ill several months.

Mrs. Emery during her life had given away the greater part of her fortune. Few persons knew of her benefactions, which were varied and extensive and given with the understanding that no publicity attend their acceptance.

A shrine where automobiles are blessed has been established by a Cincinnati priest. But the ceremony will probably be forgotten the first time one of them runs out of gas.

Padgett Conducts School Devotional

School Is Proud Of Boys Scouts—Landing Of Columbus Worked Out In Sand.

(Special to The Star.)

South Shelby, Oct. 13.—Rev. Rush Padgett, pastor of the Second Baptist church conducted our devotional exercises for us Wednesday morning at which time he brought us a helpful message. Mr. Padgett told the pupils assembled the story of "David and Goliath" from which he drew some good lessons. "David had God," said Mr. Padgett and when we go into the world to fight the battles of life we shall need God. Other lessons from this story which the pastor emphasized was the obstacles which David met and how they were overcome and finally his reward—winning the favor of God.

Mr. Melvin Blanton assistant pastor of the Second Baptist church led our singing in chapel Wednesday morning.

Miss Mildred Thompson our efficient home economics teacher spent the week-end at her home in Charlotte.

"Better Speech" in October is the aim of Miss Parker's section of the fourth grade.

Miss Selma Blanton who will teach the first grade in the Ross' Grove school was with us Tuesday for the purpose of observing the work in our first grades. We are always so glad to have the teachers in the county visit our class rooms. They are always welcome.

We are proud of our Boy Scouts. They are: Wylie Smith, Herbert Sanders, Clarence Queen, Julian Morehead, J. B. Ellis, Ben Chamption, M. Y. Duncan, Clyde Williams, J. D. Hawkins, J. D. Hamrick, Colie Gossett and Purvis Barrett. Scoutcraft is one of the finest health and character building for boys that ever has been devised. We have heard of many acts of chivalry and gallant deeds, to say nothing of the little deeds of kindness that Boy Scouts do that the public never hears about.

Fifteen new pupils were enrolled Monday, that day being the first of the second month. The list follows: Archer Bridges, Howard Turner, Lily Ray Warlick, Albert Turner, Yates Humphries, James Spake, M. L. Spake, Claude Lee Turner, Hattie Mae Humphries, Vera McMahan, Francis Spake, Collie Gossett, Willie Hamrick and Jessie Humphries and Nellie Webb.

Miss Thompson presented the school with twenty-one Victrola records. Our total number of records to date is 65.

The sand table in Miss Howie's section of the 3rd grade is very attractive. The "Land of Columbus" has been carefully worked out.

The six teachers reporting no tardies for the past month follows: Misses Adeline Bostic, Mary Hardy, Ruth Howie, Edna Parker, Mildred Thompson and Mrs. Kimmie Falls.

A very enjoyable program was rendered Tuesday by the pupils of Mrs. Fall's section of the first grade.

"I agree with George White that Luckies are the best"

Said Flo Brooks to Lou Holtz while waiting for their cue to appear in "Manhattan Mary."

George White, Producer of George White's Scandals, writes:

"In the theatre world, Luckies have become almost universal. Stage folks are very critical—voices must be kept in condition, throat irritation is a handicap. In 'George White's Scandals,' most actors and actresses whose voices are important smoke Luckies both for voice protection and finer flavor. For these reasons I prefer them, too."

You, too, will find that LUCKY STRIKES give the greatest pleasure—Mild and Mellow, the finest cigarettes you ever smoked. Made of the choicest tobaccos, properly aged and blended with great skill, and there is an extra process—"IT'S TOASTED"—no harshness, not a bit of bite.
