

# MEN USED TO SHAVE EVERY OTHER DAY--

Now They Give Their Physiognomies The Once Over EVERY Day.

In other words neatness and smartness of appearance is the modern idea. We don't pay much attention to slouchy folks these days.

And this state of affairs—a more attractive world of human beings—is due as much to such institutions as this, that cater to APPEARANCE, as to the tailors.

We consider that we are as essential to appearance as the clothes makes themselves.

Be neat, smart and up-to-date. Send your garments here, and keep them looking fresh and new and attractive.

Remember: We are giving away a Junior Rolls Royce valued at \$200.00 (now on display in the Swofford Grocery Company Window.) A gem of a gift for the kiddies' Christmas.

The patron who receives the most tickets by December 23, gets the car. 25 votes for an order of a dollar and a quarter, and 25 votes for each additional order amounting to a dollar.
