As the youngster raced along the side line four boy. He married, reared a family of Shelby players ran with him. Down and down the field they rambled, to fight for the United States, voted seemingly not to be stopped, but one slip ruined the march as an Asheville player slipped in from behind and nabbed Wall, despite the blue wall defense on his side.

Harris Ends Fine.

first quarter. Finally with his cwn the United States in childhood as

Game Features.

Asheville says Shelby was outplayed in every department. Such was not the case. With two backs were considerably superior.. Either Beam or Harris carried ball more from scrimmage than every Asheville back combined. Last but not least, the light Shelby line after being shoved back in the first five minutes of the game let it be known that they were not to be shoved any more and from that period on outplayed the Asheville line.

In the sensational work, Chakales, Beam, Harris and Estes were big lights. Chakales passed, squirmed and dashed about as has no high school player against Shelby m years. In Estes he had a worthy pal who could also pass, kick and run. In simon-pure ball-toting no one approached the performance of the flashy Beam. A play-by-play account of the game shows that Beam failed to gain only once and on scores of runs gained from 4 to 26 yards every clip. Close behind him was Ed Harris, and as the records go it was Harris' greatest game.

Somehow the Shelby captain seem ed to sense that it was his final state contest play and he played his final game, though it ended in defeat, as a captain should play, setting the pace as well as spurring his team

Singleton, Gold and Sparks were the luminaries in the line although the entire team played well except in its failure to measure the Asheville passes.

Incidentally, set it down that if Chakales gets back in the line-up Asheville will win the western title.
