Do you remember the sensa-tional breach of promise ared to the ends of the earth. suit, a few years ago, by a humble flower-girl against her young millionaire lover and his wealthy mother? At the trial many ugly charges were hurled at the girl. She was called a "gold-digger," a blackmailer; a shameless creature who loved only money and the luxury money could buy.

But when, in a voice broken by sobs, she told her pitiful story, men hardened to corrow wiped their eves furtively-women in the court-room wept

Then came that dramatic and unlookedfor conclusion. An unexpected witness was called to the stand and in ten words hurled into the tense silence of the crowded

Most people were stunned by the unexpected outcome of the trial. Even today few suspect the true history of events behind that tremendous drama of intrigue, suffering and deathless love.

But now the entire story has been told by the girl who was the central figure in that amazing drama. Told in words that will bring tears to your eyes-tears of joy, of sorrow, of understanding and sympathy.

Dodge Brothers Standard Six is the fastest car, with the fastest pick-up, under a thousand dollars

HOWEVER

That is only HALF the story. The IM-PORTANT point is that this exceptional speed is made practical by Dodge ruggedness of chassis and body construction.

ATHERE

Might succeed in building a car at this price with equal SPEED, but to do so successfully they would also have to build a car with equal STURDINESS

That is where Dodge Brothers, with years of experience in building a dependable lowcost product, are years ahead of the field.

Can buy the Standard Six knowing that it is not only the fastest car in its class but the sturdiest - and the one is every bit as important as the other
