HOEY MAY SPEAK AT BIG RALLY IN CHARLOTTE, SOON

Plan One Of Greatest Campaigns In History Of County, Chairman Declares.

Charlotte, July 26.—Former Congressman Clyde R. Hoey of Shelby who fired the opening gun in the Democratic campaign in North Carolina with a speech at Shelby Tuesday night, will come to Charlotte as one of the speakers in the Democratic campaign here.

Mr. Hoey was asked to make an address in Charlotte and tentatively accepted, but no date for the mass meeting before which he is to appear has been set.

One of the greatest political campaigns in the history of Mecklenburg county is being planned for this year and will be opened one week tonight with a rally at the courthouse to be addressed by former Governor Cameron Morrison, Mr. Jones said.

The campaign is being opened much earlier than had originally been planned and will include a dozen or more mass meetings at the courthouse in addition to the numerous precinct meetings throughout the county, Mr. Jones predicted.

Mr. Hoey will probably come to Charlotte late in August or early in September, as the address of the former governor Thursday night will probably be the only meeting before the speech of acceptance by Governor Smith on August 22.

WOMEN'S PAINS They Were Relieved by Cardui Which This Georgia Lady Took on Her Mother's Advice.

Columbus, Ga.—"I don't see why women will drag around, in a half-hearted way, never feeling well, barely able to drag, when Cardui might help put them on their feet, as it did me," says Mrs. Geo. S. Hunter, of this city.

"I suffered with dreadful pains in my sides. I had to go to bed and stay sometimes two weeks at a time. I could not work, and just dragged around the house."

"I got very thin. I went from a hundred and twenty-six pounds down to less than a hundred."

"My mother had long been a user of Cardui, and she knew what a good medicine it was for this trouble. So she told me to get some and take it."

"I sent to the store for Cardui, and before I had taken the first bottle I began to improve. My side hurt less, and I began to mend in health. I took the second bottle, and felt much better. I followed this by two more bottles."

"Cardui acted as a fine tonic. I do not feel like the same person. I am well now, and still gaining. My sides do not trouble me at all."
