

Five and Ten Years Ago

The Following Items Were Gleaned From Issues Of The Cleveland Star Of Five And Ten Years Ago.

FIVE YEARS AGO November 2, 1923.

The Mooresboro Creamery is displaying a second prize ribbon won at the state fair in competition with the state and a first prize ribbon won at the Forsyth county fair on its butter. Cleveland county is the largest butter producing county in state and this speaks well for its butter.

Mrs. Hattie Wilkins Putnam wife of Mr. J. Lane Putnam died at her home Tuesday afternoon at 4 o'clock in South Shelby following an illness of a year or more from some organic trouble. Mrs. Putnam was born Aug. 16, 1874 and died October 30, 1923, at the age of 49 years 2 months and 15 days.

Modern circuses seem to have an additional profession combined with their band of followers. The photographers, balloon men and others who make their living following the shows over the country have a new addition in the car thief. At least that is what Shelby people are thinking, following the visit of Sparks circus to town Tuesday. While the show was in progress Tuesday afternoon two Fords, one "brand" new, and the other practically new, were stolen from the show grounds. Mr. W. C. Lasher, of Shelby route 4, parked his new car, bought only about 48 hours and not yet graced with state license tag, at the show grounds while he took in the show. Returning sometime later only a parking space was left of what had been a new "livver" in the show rooms only a day before. Only a short time later the Ford of Mr. Clarence T. Hardin, of Shelby route 7, was also stolen from the show grounds.

The funeral and burial services of Mrs. Mary Elizabeth Putnam, who died suddenly last Monday at her home in Waco were conducted last Tuesday afternoon at Waco Baptist church by her pastor, Rev. J. W. Suttle.

The criminal docket of the fall term of Cleveland county Superior court was completed Thursday morning and the civil docket taken up. Probably the most important case disposed of on the criminal docket was that of Ed Terry who pleaded guilty to the manslaughter of Lee Gordon, colored, of Kings Mountain. The case was heard Wednesday, attorneys for Terry submitted to manslaughter and the state accepted the plea. Judge James L. Webb, presiding, sentenced Terry to five years hard labor in the state penitentiary. Although not inserted in the original judgment it was intimated that if Terry would pay the widow of Gordon \$500 that Judge Webb would reduce the sentence to two years.

The Shelby Creamery company has sold its former plant building in South Shelby and ground to O. M. Gardner and O. M. Mull at consideration of \$2,500.

A telegram received this week announced the death of Mrs. Frank Thompson of Bellingham, Wash., on October 4. Mrs. Thompson was before marriage, Miss Addie Durham, daughter of the late Dr. L. N. Durham who lived for years at the Kerr place on West Warren street.

TEN YEARS AGO November 1, 1918.

Mr. Plato White died at Mooresboro Monday of influenza, followed by pneumonia. He was a blacksmith by trade and a steady and highly beloved citizen who will be greatly missed in the community. He was about 26 years of age and leaves a wife and three children.

Mr. John Patterson died at his home in South Shelby, Monday night about 9:20 o'clock, after a short illness. The deceased had only been ill a short time when pneumonia developed, causing his death. He was about 40 years of age and is survived by a wife and four children, Billy, Fendal, Ruth and John Lewis.

Mrs. Yates Hamrick, wife of Dr. Yates Hamrick, a very successful physician of Boiling Springs, died at her home early Tuesday morning after an illness of about 10 days at the age of 25 years. Dr. Hamrick had almost recovered from influenza, when Mrs. Hamrick was stricken with this dreaded disease which soon developed into pneumonia from which she never recovered.

Miss Morris Shuford died Tuesday, October 29 at her home in Fayetteville of pneumonia. Mrs. Shuford was Miss Minnie Osborne before her marriage, a daughter of Dr. and Mrs. Joe Osborne of Lawndale, and a granddaughter of the late Major H. F. Schenck. Mrs. Shuford was a lovable Christian woman and her death will be learned of with sorrow. She is survived by her husband, who is a son of Mrs. Shuford and brother of Mrs. Ceph Elenton and Miss Rosa Mae Shuford of this place.

The 10,709 bales of cotton ginned in Cleveland county from the crop of 1918 prior to October 13, 1918 as compared with 3,110 bales ginned to October 13, 1917.

The influenza situation in Shelby and vicinity is much improved. Very few new cases have been reported and it is thought the worst is over. The Red Cross canteen service in South Shelby stops today, there being no further need to continue it.

Miss Elma Gaffney, Carobel Lever and Eunice Hoyle have been making out a consolidated report for the Provost Marshal General in Washington of all the registrations up to September 11, 1918.

Business has resumed after two weeks dullness on account of the influenza and rain. Merchants are very busy again and trade is getting back to normal. There is little or no danger about the streets or in the stores and the people who have been scared to venture out, are now going without fear.

Officers have captured Toney Hoyle of upper Cleveland, who was the first registered man in the county to fall, when called for military service. He lived back of Wards creek, a remote section from which none of the registered men called for service have responded. Toney is also charged with block-ading and in addition to these two counts against him he has an attack of influenza.

As the Elephant would revise Hamlet's soliloquy: "Oh, that this New York Evening Post.

HORD IS PRAISED BY SPORT WRITER

Kings Mountain Boy Coming Star At Wake Forest, Big Leaguer.

Cleveland county people who have seen Johnny Hord, Kings Mountain boy, dash across a football field, and field, steal bases, and drive out hits on a baseball diamond will agree with Eddie Brietz, Charlotte Observer sport writer, in the following mention of the Wake Forest star: "If the Wake Forest alumni will side with Stan Cofall he'll show them some football in a year or so. "Cofall is doing mighty well at Wake Forest. It takes from two to three years to get the Notre Dame system working smoothly. Anybody will tell you that.

"Wake Forest looked terrible in their first two starts but are getting steadily better. There is all the difference in the way those ends are playing. And two good ends is absolutely necessary in the Rockne style of play.

"Cofall is sure stuck on this Johnny Hord. He says in two years Ford won't have to take his hat off to any half in these parts.

"Another who is singing Hord's praises is John Cadell, the Wake Forest baseball coach.

"Cadell was up here Saturday. This writer saw him in a restaurant after the game and Cadell was telling the world about Hord who is a coming shortstop star in his estimation.

Alone
