

# BOILING SPRINGS BATCH OF NEWS

(Special To The Star.)

Boiling Springs, Nov. 22.—The ladies of the community who have adopted daughters at the college were most delightfully entertained at a lovely reception in the spacious hall of the girls' dormitory Tuesday evening at 4:30 o'clock by their daughter. The hall was arranged appropriately and beautifully with a profusion of chrysanthemums and brightly colored leaves. Each daughter welcomed her mother at the door and introduced her to other students of the school. Miss Lunette Odum in a beautiful way extended to the mothers a most cordial welcome and expressed the appreciation of each student to their mothers for their interest in them. Mrs. J. L. Jenkins responded to this welcome in a few well chosen words and assured each daughter that their feeling of love and interest was mutual.

An interesting dramatization was given by students of the school which pictured the life of a girl the Kindergarten through high school days, graduation from college, as a bride, in the role of

mother, and to the ripe old age of grandmother.

Miss Lorene Woody sang in beautiful clear tones "Mother". After this delightful program, the guest enjoyed a social hour. Punch was served all during the evening. The daughters bade the mothers goodbye at the door.
