SCHOOLGIRLS NEED HEALTH

Daughter of Mrs. Catherine Lamuth, Box 72, Mohawk, Michigan.
"After my daughter grew into womanhood she began to feel rundown and weak and a friend asked me to get her your medicine. She took Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Herb Medicine. Her nerves are better, her appetite is good, she is in good spirits and able to work every day. We recommend the Vegetable Compound to other girls and to their mothers."—Mrs. Catherine Lamuth.

Daughter of Mrs. Eva Wood Howe, 1036 South H. Street, Danville, Ill.
"I praise Lydia E. Pinkham's Vegetable Compound for what it has done for my fourteen-year-old daughter as well as for me. It has helped her growth and her nerves and she has a good appetite now and sleeps well. She has gone to school every day since beginning the medicine. I will continue to give it to her at regular intervals and will recommend it to other mothers who have daughters with similar troubles."—Mrs. Eva Wood Howe.
