#### Wants Any Surplus Of Fair Distributed

Editor Cleveland Star:  
As a stockholder in the Cleveland County Fair' association, I would like to hear from other stockholders as to what should be done with the thousand or thousands of dollars on hand as profits. Dr. Dorton tells me that all debts are paid and this surplus is in the bank. I think the association should now pay a dividend or buy in the stock of those who do not wish to donate it to the fair association.  
I hope other stockholders will express their opinions on the subject.  
D. A. TEDDER.

December 20.29, January 20.21. Yesterday's close: December 20.39, January 20.27.  
New York, Dec. 19.—Quiet day in Worth street, market in period of seasonal dullness. Fall River and New Bedford report basis firming. New York local stock 13,861 bales, trading in December ends on 24.
