DIXIE FARMERS

FOLLOW NOSES, SURVEY SHOWS

Atlanta, Ga,-Odor rather than chemical properties govern more than one-fourth of 48,000 faimers throughout the country in their purchase of fertilizer, results of a survey conducted by the National Fertilizer association show.

Data collected also indicates that 19 out of every 100 persons consider size of bags in purchasing fertilizer, while 14 per cent of those interviewed consider color of the product.

The survey was conducted in 34states, with the hope of determining factors taken into consideration by the prospective purchaser. Forty per cent and over of those questioned in Georgia, South and North Carolina, purchase by cdor, the find ing showed.

Farmers got the habit of buying by odor when fertilizers wire made up largely of waste products, it was said at the Atlanta office

FAMOUS COW HIDE USED IN EATTLE IS HELD BY ANDREWS

Forest City.- R. M. Andrews, who recently moved to Forest City from the Sunshine community, has in his possession a very interesting old relic, in the form of a cow hide. which was used as a litter at the battle of Kings Mountain. According to Mr. Andrews this cow hide was used to bear the wounded body of "Fighting" Tom Robinson from the field of battle October 7, 1780. Mr. Andrews is a direct descendent of Tom Robinson.
