

Dr. Wall, A Great Leader And Outstanding Minister

For three and one-half years Dr. Zeno Wall has led the church through the most telling period of her history. There have been many milestones along the pathway of experiences during the period, but the greatest outstanding mark of progress has been the erection of the building, which has entailed responsibility and required wise leadership, for the past year and a half—the first demanding fine business sagacity and spiritual fervor in preparing the people for the task, and the second in which was demonstrated marked skill in directing the details during the construction period.

Throughout the entire program, Dr. Wall has kept the membership warm with a sense of deep spirituality, even though the membership has been worshipping outside the church building. He has often repeated: "There are three things for which I have been praying and which I want to see during my lifetime: A wonderful auditorium and educational plant where people will be led to Christ, a successful Christian Junior college at Boiling Springs and a revival in Shelby and community." He has lived to see two of these wishes come to be a realization and already signs point toward a sweeping revival of religion in our town and community in the near future.

486 Added To Church.
Since Dr. Wall came to the church, October 1, 1925, just three and one-half years ago, 486 people have united with the church by letter and profession of faith in Christ. It is interesting to note that he has performed 44 marriage ceremonies during the period and held approximately 300 funerals. He has walked with the people through sorrow and tragedies. Perhaps his greatest work has been in visiting the hospital, calling in the homes where sorrow reigned, and burying the dead. He has preached and conducted funerals in almost every church in the King's Mountain association.

Three Outstanding Milestones.
Three outstanding milestones during Dr. Wall's pastorate in Shelby have been the three great and marvelous meetings which he led: First, the revival meeting held under a tent in South Shelby in which Rev. Rush Padgett, the Baptist pastor in South Shelby cooperated. This meeting was held in May, 1926, soon after Dr. Wall's arrival. Scores of souls were saved and many hundreds of people requested prayer. In that same year on Thanksgiving Day the second great meeting was held at the fair grounds. Here hundreds of people from all vocations in life gathered to pay thanksgiving and praise to Almighty God for the many signal favors during the past year. The third meeting followed in June, 1927, when Dr. Scarborough, of the Southwestern Theological seminary, of Fort Worth, Texas, came and preached in a tabernacle on the vacant lot where now stands the commodious educational building. In this meeting scores of people reconsecrated themselves and a great number were led to Christ. What a fitting beginning on the lot which was destined to be utilized as it is today!

While marvelous progress has been realized in the local field, the missionary zeal has not lessened. The church now stands fourth in North Carolina among other Baptist churches in gifts to missions and Dr. Wall says that with the enlarged program there is no reason why the church should not move up nearer the first place in North Carolina.

Former Pastorate.
Previous to coming to Shelby, Dr. Wall held long and successful pastorates in several of the outstanding fields in the Southern Baptist convention. Among the fields are his long pastorate at Mississippi college, Clinton, Miss., First Baptist church, Columbia, Miss., and First Baptist church, Goldsboro, where he did a successful work before coming to Shelby. He is much in demand by the churches, colleges, Theological Seminaries and summer encampments for special addresses and evangelistic meetings, having spoken at the Southern Baptist Theological Seminary, Louisville, Ky., Baptist Bible Institute, New Orleans, Meredith college, Raleigh and in a great number of other institutions. However it is not conceded that he has yet reached his zenith. A resume of the past and the prospects for the future, encourage both pastor and people to feel that the greatest days of reaping for Christ and His Kingdom lie in the future. Only time will tell what fruitage will result from the efforts, vision and sacrifice of both pastor and people in this great field.

State Convention Coming Fourth Time

State Baptist Have Met Here In 1875, 1890, 1912—Coming In November.

Through the influence of Rev. John W. Suttle, moderator of the Kings Mountain Baptist association and one of the vice presidents of the State Baptist convention and Dr. Zeno Wall, the popular pastor of the First Baptist church here, the state convention will meet in Shelby in November of 1929.

Fourth Time Here.
Shelby Baptists have entertained the state Baptists on three occasions previous to this, the first time in 1875, then again in 1890. At the first association there were enrolled 130 delegates from twenty associations.

The second association met here in 1890, fifteen years later. At this second association Colonel L. L. Polk was elected president, the vice presidents being Maj. W. A. Graham, T. H. Pritchard and G. W. Sanderlin. J. D. Boushall was elected treasurer and W. N. Jones, auditor.

The third association met here in 1913, holding its 83rd session with Rev. L. W. Swope who was pastor at the time. The new church building which now stands and has just been remodeled, had just been completed at a cost of \$40,000. The church membership was 536. B. T. Falls, was Sunday school superintendent.

In November, Shelby Baptists will have entertained the state Baptists for the fourth time and this year, the church will be amply large enough to accommodate the large crowd that is expected.

GLAD EASTER TIDINGS

Preparations for Easter entail a lot of thought and planning; so we thoughtfully prepared this one for your consideration: A family in the north end of town were arguing what kind of fowl they'd have for dinner; father wanted turkey, Mother wanted goose, sister wanted duck and brother wanted chicken; the result was a draw—they decided on HASH!

We wish you'd decide to give SINCLAIR gas and OPALINE oil the trial it deserves. We could talk all day of its superiority and still probably not convince you as absolutely as a fair trial of its qualities. Its universal following testifies to its popularity.
