Charity has increased something
like 200 per cent in the last five
years, according to one of the dem-
on statisticians, but if you'll look
over the first page of almost any
newspaper these days you'll dis-
cover that it hasn't covered all sins
yet.—New York Evening Post.

At The Theatres

The Webb theatre announces its
Vitaphone opening Monday. This
much boosted instrument, that hu-
manizes the screen as nothing else
has done, unifying pictures and the
drama, has been installed and was
given a highly successful try-out
Thursday. Some brief pieces were
presented to the audience Thurs-
day night, and were pronounced a
perfect rendition. Monday's opening
picture will be "On Trial," one of
the latest one hundred per cent
talkies. The picture will be a su-
preme Vitaphone test.

Today the Webb is running a pic-
ture starring Bessie Love, entitled
"Has Anybody Here Seen Kelly," a
very fine production.

The Princess is advertising the
latest of the celebrated Zane Grey
action pictures today, entitled
"Sunset Pass." The story should be
the more appealing in that it ran
as a serial, and had wide circula-
tion. Jack Holt, who plays the lead
in most of Grey's thrillers, is also
the headliner in this one.
"The Vanishing West," a popular
serial, and "Turn 'Em Loose," a
comedy are also on the bill. And
the ever popular Paramount News.
The Princess is featuring more and
more talking and sound pictures,
finding this class of entertainment
is going over big with the public.

Suggests Members For School Board

Editor Star:

Now that the school question
seems to be settled satisfactory and
with honor to all concerned, it's
time we were beginning to think of,
and select a school board, as the
election is only a short time away.
We cannot select any better men
than what we had, however as they
have resigned, it's up to the citi-
zens to prevail upon some other
good men to accept. It's a thank-
less job of course and means lots
of worry and criticism, but as some
one has to do it, I am taking the
liberty of suggesting a few men for
the place:

Ward 1—Thad C. Ford; ward 2—
Oliver Anthony; ward 3—H. Clay
Cox; ward 4—J. B. Nolan and
Marvin Blanton as a member at
large.

None of these men are seeking
the place and probably none of
them care to accept, but they
might be induced to do so if the
people insist on them to accept. I
wish to say also in this connection,
that we should elect our school
board with the distinct understand-
ing that they receive the same rate
of pay as the city council, which is
\$10.00 each per month. That is not
much of course, but they deserve
something for giving their time
and brains to the proper expendi-
tures of \$150,000 each year. Let's
hear from other interested voters.
