DON'T BUY REAL ESTATE, UNLESS YOU KNOW WHAT YOU ARE DOING

It is history, but also a fact that the only people in Shelby and Cleveland county that have lost money on a Realty investment, have been those people who bought FIRST and THOUGHT AFTERWARD.

THAT'S THE REASON—THAT'S THE EXPLAN-ATION-THAT'S WHY we hear of someone making a poor buy, losing all they have. They bought Rear Estate, but not wisely.

WE ARE HERE, doing BUSINESS, negotiating trades, making sales, looking after the interests of both BUYER AND SELLER, making something for ourselves, BUT YOUR INTERESTS COME FIRST.

WE NOW HAVE FOR SALE some desirable properties, and all we ask is that if you find on our list anything that looks interesting, come see us about it. We may be able to make the terms so you may handle it, or else make a trade that would be for the mutual good of

Being a part of the Love property, fronts 75 feet on Cleveland Springs road, and 100 feet on Lineberger street, joins Renn Drum and Robert Miller's home, some nice shade. Very pretty place to build. Price is \$3,500.00.

We have the Ab Poston 8 room residence on large lot 90x200 feet, just a short distance down South De-Kalb street, bath and other conveniences. It would take lots more to replace than the price we have of \$4,500.00 for the property.

In North Shelby, known as the Pattie Ware home, lot 100x250 feet, 10 room residence, modern conveniences, desirable neighborhood, beautiful lot and the price In West Shelby we have the M. M. Mauney home of.

Then we have several good buys in farms, take the 22 1-2 acres of the M. A. Bowen land, practically all level, joins Lily Mill property. Mr. Dodd and others, very productive soil. Price is only \$100.00 per acre.
