# PARAGON'S "WHITE ELEPHANT" SALE

DOORS OPEN WEDNESDAY MORNING 8:30 — SALE CONTINUES THROUGH SATURDAY — JUST FOUR DAYS.

## HERE'S THE STORY

And we hope you'll read every word of it. — Now folks you know what a "WHITE ELEPHANT" SALE IS. If you don't we'll tell you. It's a sale of what we call stickers, or merchandise termed as hard stock. This page Ad is not large enough for us to tell you about all the White Elephants we are going to offer in this sale. But here's what we've done.

## READ ON! GET IT STRAIGHT

We've spent days in going through our stocks getting out every item that's been here so long that we are tired of looking at it. Some bad, yes, very bad, some not so bad, and some that's perfectly good but maybe broken lots or sizes, short ends or a bit soiled. Sounds like a lot of junk folks but it isn't so bad at that and when you see the prices you'll grab it, 'cause we are most giving it away. You come, and you'll not be disappointed.

This Is A  
CASH SALE

Nothing will be charged or sent on approval. Come yourself and bring a little cash. Doesn't take much.
