SELF STARTERS—

Recently a young man calling upon his best girl overstayed his time. The "old folks wanted to go to sleep, so the father called down stairs:

"Mary, give the young man his hat." The young man said in a voice easily heard up-stairs: "Mary, your father is a crank."

The father replied: "Young man, cranks are very useful when you Don't Have a SELF-STARTER."

BANK ACCOUNTS ARE NOT equipped with "SELF-STARTERS," it takes PUSH to get 'em going, but when a young man or young woman gets a **BANK ACCOUNT** really started their pride in it gives them a thrill and they usually keep it going.

NOW IS A GOOD TIME TO START AN ACCOUNT AND THIS IS A GOOD PLACE TO DO YOUR BANKING.
