New Ideas in Foods

MRS. PHAIR

Food expert, trained in Battle Creek methods, will be in our store all this week.

She would like very much to talk with you about the new ideas in foods which have been discovered during the past few months in the renowned nutrition laboratories at the Battle Creek Sanitarium.

New foods will be served and explained. Foods for reducing, blood-building, gaining weight — laxative and special diabetic foods, as well as delicious, economical, and easy to prepare foods for healthy, normal folks who want to keep well.

From nine to five, each day this week.

You will have this opportunity only this week — better come in tomorrow.
