

Junior Order Here Wins National Banner

Notice has just been received by the officers of the Shelby Junior Order council No. 436, that Shelby has won both the national and state banners for the largest increase in membership for the year ending in June of this year.

NORTH CAROLINA HEIFER SETS PRODUCTION RECORD

Starting on test at the early age of one year and three months, the purebred Jersey cow, Mermald's Oxford Evelyn, won the yearling 305-day Jersey championship of North Carolina with her record of 436.92 pounds of butterfat and 7,227 pounds of milk produced in 10 months.

To win this championship Evelyn superseded N. C. State Fern, which has a 305-day record of 264.87 pounds of butterfat and 4,966 pounds of milk.

A German gardener dug up a gold coin minted in 1444. Only one specimen of this coin was known before, and it was valued highly.

ADMINISTRATOR'S NOTICE

Having qualified as administrator of the estate of S. J. Bingham, deceased, this is to hereby notify all persons indebted to said estate to make payment of such indebtedness immediately to me.

TRUSTEE'S SALE

Shelby High Star Shows 'Em He Can Play League Ball As Easily As High School Ball

Georgia Sportwriters Rave About Hitting Young Fool From Carolina School.

(By RENN DRUM.)

Back in May when Cline Owens Lee was leading the Shelby high school team to a state championship by his heavy hitting and spectacular fielding the report got out that league scouts were on his trail.

"Shucks! They're just pitchers, too," he answered. "I believe I can hit some of 'em if they put 'em over, don't care who's pitching."

And down in Georgia, the state of beautiful girls, Ty Cobb, and Bobby Jones, the youngster is showing the fans that he can do just that.

He was in his first game last Saturday at second base for Columbus in the Southeastern league and all he did was slap out three hits in four times at bat and field eleven chances perfectly.

One of the Columbus sport writers in giving an advance notice about Lee signing up said: "He has a batting average back in the North Carolina high schools of .530. That's hitting, and any player who can hit that well for just one game down here will be going some."

When Sunday's Columbus Enquirer-Sun came off the press the big headline across the sport page read "LEE STARS IN DEBUT AS FOXES BEAT FLIERS." A big head over another story read "Millsaps Released, Lee Signed." Down in the article was the information that Millsaps had been playing for Columbus three seasons but was given the gate when the young Shelby slugger got into action.

The story of the first game Lee played in and especially the parts telling of his performances, as written by Henry Averill, Enquirer sportswriter and official scorer of the league, goes as follows: "With Cline Owens Lee, North Carolina high school boy, hogging a large share of the limelight the Reynards romped off with the first game of the Pensacola series, 7 to 2.

Notice Of Sale

Cleveland county. In Superior court. J. G. Dudley, Sr., J. G. Dudley, Jr., and A. D. Dudley, trading as J. G. Dudley and Sons, plaintiffs, vs. R. H. Ponder, defendant. By virtue of an execution directed to the undersigned from the Superior court of Cleveland county, N. C., in the above entitled action, I will, on Monday the 24th day of June 1929, at 12 o'clock M., at the court house door of said county, sell to the highest bidder for cash to satisfy said execution all the right title and interest which the said R. H. Ponder, the defendant, has in the following described real estate, to wit:

A house and lot in the Town of Shelby, No. 6 township, Cleveland county, North Carolina, and located on East Warren street, thereof, and adjoining lands of J. Weaver on the West; the lands of John Roberts on the East; facing E. Warren street, on the South and an alley on the North. The lot lies on E. Warren street and has a frontage of 60 feet and a depth of 175 feet. For a further description see deed book 3-S page 473. Register of deed's office.

This 20th day of May, 1929. I. M. ALLEN, Sheriff.

TRUSTEE'S SALE

Under and by virtue of the authority contained in a certain deed of trust recorded in book 153 of deeds on page 20 in the office of the register of deeds of Cleveland county, North Carolina, the undersigned trustee will sell on July 10, 1929 at 2 o'clock to the highest bidder for cash at the court house door in the town of Shelby the following described real estate:

Beginning at a stake, Rush Padgett's present northeast corner; thence north 2 east 50 feet to a stake, a new division line; thence south 87.75 west 165.8 feet to a new corner in the Wilson and Cox line; thence south 1 1-3 west 50 feet to a stake, Padgett's old corner in Wilson's line; thence north 87.75 east 165.8 feet to the place of beginning. Some being that lot of land conveyed to Rush Padgett and wife, Carrie Padgett by deed recorded in book 3-W at page 517 in the office of the register of deeds of Cleveland county, North Carolina, reference to which is hereby had. This June 5, 1929. HORACE KENNEDY, Trustee.

With manager Kohlbecker on third and Littlejohn on second the aforementioned Cline Owens Lee made his first hit in professional baseball, scoring his manager.

Mr. Lee, referred to in paragraph one, did doughty deeds for the Kohlbeckers, deeds, which if continued, will enable the young fellow to make enough money to pay off the mortgage, if any, on the dear old homestead up in Shelby, N. C. Cline Owens played second base and batted second in the Fox lineup, but he was second to nobody either at bat or in the field. In his first trip to the plate he hit a hard fly into center which Tangeman pocketed.

In the second he came up with Kohlbecker on third and Littlejohn on second. In this situation he produced a hard-bounding grounder through the box which bounded cheerily into center for a clean hit. . . In the fifth he hit a slow hopper to short and hastened to first so fast that Vial's hurried throw pulled Abrams off the sack.

Herman almost immediately tried to pick him off first and did get ball to Abrams in time, but Cline Owens slid neatly around the first baseman to safety. The slide was unnecessary as the umpire declared a balk against the pitcher and Lee walked down to second and trotted home on Stuart's smack to left.

In the eighth the Carolinian hit another teaser toward Vial, and beat it out with great ease. The Flier shortstopper, a sweet ball-player by the way, wasn't able to scoop up the ball as dashed in on it, but if he had his throw would have been much too tardy to head off the flying lee. . . In the field the newcomer handled eleven chances, four putouts and seven assists, without the remotest semblance of an error.

Three of the putouts were on fly balls, none of them exceptionally difficult, though he was forced to go back for a couple of them and did it well. He covered first nicely on Herman's sacrifice bunt and took Littlejohn's toss. The assists were for the most part chances which a good second baseman will always handle, but one of them was about as fine a piece of fielding as has been turned in here for some time.

Is A Comer.

"Much space has been devoted to the doings of young Lee, but the aforesaid doings along with Littlejohn's pitching were the highlights of the afternoon. . . Then, too, it may be the last chance to rave over the deeds of our new player, for one ball game doesn't make a star by any means. But whatever happens in the future, Saturday was Mr. Lee's day and he made the most of it."

Good Naval News.

The Nation. Remarkably good news comes from London in regard to the new international safety code just signed by the delegates of 18 maritime nations who have been attending the Conference on the Safety of Life at Sea. Unlike other international conferences this one has been harmonious from the beginning, despite great technical difficulties, and the result is a remarkable advance along various lines.

INDIGESTION

Taxi Driver Goes Back To Medicine He Had Taken When a Boy to Find Relief.

Nicholasville, Ky.—"Running a taxi is my business, and I am called out at all times, sometimes just before meal time, and this makes my eating as well as my sleeping very irregular," says Mr. Jesse Dickerson, of 502 Central Avenue, this city.

"I had indigestion, on account of this irregularity. I would feel very uncomfortable after meals. I would be constipated and have dizziness. I knew I had to take something. I remembered how, when at home before I was married, my mother would give us Black-Draught, and how she believed in it. So I decided to take it again. It sure did me good. I am glad to let others know what a good laxative Black-Draught is. It clears up a dull headache, and makes me feel like a new person."

Thousands of other men and women find Black-Draught a great help in relieving common ailments, due to indigestion, constipation and biliousness. In thousands of families, Thedford's Black-Draught has a corner all its own on the medicine shelf. In use nearly 100 years. Safe, efficient, reliable. Sold everywhere. Try it. NC-197

POPULAR SPRINGS COMMUNITY NEWS

(Special to The Star.)

The Woman's Missionary society is progressing nicely. They gave a very interesting program Sunday.

Mr. and Mrs. Tom Stamey and little daughter of Fallston, spent Sunday with Mr. and Mrs. J. D. Elliot.

Mr. and Mrs. T. J. Pruet visited her parents Mr. and Mrs. Brooks of the Double Springs community Sunday.

Mr. and Mrs. L. D. Corn and Mr. Floyd Tate of the Dover Mill visited Mr. R. B. Patrick Wednesday afternoon.

Mr. and Mrs. Billie Blanton and Mr. and Mrs. Thurman Blanton and children visited Mr. and Mrs. R. B. Patrick Sunday.

Little Clara Mull Blanton has been visiting her grand parents, Mr. and Mrs. Billie Blanton for the past week.

Mr. and Mrs. Ocie Barnett of Salisbury visited his sister, Mrs. B. C. Queen over the week-end.

Rev. Forbis visited Mr. and Mrs. Thurman Blanton Thursday afternoon.

Mr. Hershel Conley visited Mr. Laurence Morehead Sunday.

Mr. P. A. Gladden spent Sunday night with his brother, Mr. Jim Gladden.

Mr. and Mrs. L. Rogers of the Mount Sinai section visited her parents Sunday, Mr. and Mrs. Billie Lebetter.

Mr. John Wallace and children, Mr. and Mrs. E. E. Martin and children attended the funeral of Mrs. Farris of South Carolina last week.

Mrs. Ross Smith spent Sunday night with her son, Mr. Eura Smith.

ALLOW CHILDREN TO WEAR SUN SUITS FOR THEIR PLAY

Give the child play clothes which allow the health-giving rays of the sun to reach his skin, suggest home demonstration workers. Sun suits are easily made, and may be of different types to suit the needs of their small wearers.

Almost any well-fitting romper pattern can be modified for use in cutting sun suits. The first sun suits may simply be sleeveless long-necked rompers made of a flowered cotton print or some other attractive wash material of fast color.

The barley harvest of Davidson county was held during the first week in June with excellent yields recorded.

First Bale.

Roosevelt Field, N. Y., June 15 —Utilizing speedy air transportation, the first bale of this season's cotton crop arrived here today on its way to the New York Cotton Exchange.

The 500-pound bale was accompanied on the flight by Miss Fern Felscher, newspaper reporter and personal representative of Corpus Christi Chamber of Commerce. The cotton was taken to the Rayside, N. Y., home of Dudley B. Canafax, member of the cotton brokerage firm of Anderson, Clayton Co., of Houston, Texas.

Tomorrow, the cotton will be auctioned off on the floor of the cotton exchange—a ceremony of greeting to the new crop.

The barley harvest of Davidson county was held during the first week in June with excellent yields recorded.

NOW—AS THEN—YOU HEAR "CHRYSLER" EVERYWHERE!

"Not merely a new note in motoring—a new school in engineering and performance, is the Chrysler. + + Height, weight, balance, acceleration, power, appearance—these are some things Chrysler has revolutionized. + + Make no mistake—you are witnessing the rise of new principles in motor manufacture which are profoundly affecting all motor car design. + + No car is immune to the irresistible attractions of the Chrysler."

WHAT IS CHRYSLER ENGINEERING?

It is a matter of opinion as to who did most in creating the automobile, but it is a matter of fact that Chrysler has done most in modernizing it. Some of the most vital and thrilling chapters in the history of the motor car have been written by Chrysler engineers.

Chrysler engineering, analyzed in simple terms, is a combination of far-sighted vision and resourceful genius that succeed in accomplishing inspired improvements. In one word, Chrysler engineering is : : : Progress.

This is not a vainglorious gesture—it is a statement of plain, hard-shell fact fully borne out by the following partial list of advancements which Chrysler has pioneered or developed:

- Hydraulic Four-Wheel Brakes, Rubber Shock Insulators, "Silver-Dome" and "Red Head" High-compression Engines, High Turbulence Offset Combustion Chamber.

Fully Counter-weighted 7-Bearing Crankshaft, Iso-therm Invar Strut Pistons with Tungite Rings, Non-wearing Chilled Cast-Iron Face Tappets, Rubber Engine Mountings, Modern Plain Tube Carburetion—with Positive Pressure Pump Acceleration and Semi-Automatic Choke Valve, Indirect Lighting of Instrument Panel, Light Controls on Steering Wheel, Body Impulse Neutralizer, Small Diameter Road Wheels, Modern Roadster Body Type, Beaded Belt Moulding and Modern Color Treatment.

The Chrysler you buy today is the direct beneficiary of all the progress that Chrysler engineering has made in the five years of its brilliant history. Let us give you a demonstration.

CHRYSLER. Geo. Thompson Motor Company. Shelby, N. C.
