

Postal Forces Thank For Entertainment

Convention Here Is A Great Success. P. P. Richards Win \$100 Prize. People Cooperate.

To Editor of The Star:

In behalf of the entire force at the Shelby post office and in behalf of the Cleveland County Service Council of the post office department, we hereby extend our sincere thanks and highest appreciation to the citizens of Shelby for the royal manner in which they entertained the state postmasters' convention which convened here last Friday and Saturday, June 14 and 15th. Nothing was left undone that would have in any way contributed to the comfort and pleasure of our guests. All postmasters and guests left praising Shelby for its wonderful hospitality and for its numerous courtesies. As each visitor here, as a rule, represented a different town and community, it will prove to be a wonderful advertisement for our little city.

The hearty co-operation of the Merchants' association, the Kiwanis club, the Rotary club, and the Woman's club merit the heartiest commendation. The Boy Scouts, as they do under all circumstances, rendered efficient and most valuable service. The ladies and gentlemen who furnished such excellent music during the sessions of the convention and at the banquet rendered most valuable service to the occasion. The donation to the occasion of soft drinks by the Shelby Coca Cola company and ice by the City Ice and Fuel company contributed much to the pleasure and comfort of the meetings and the kindness was highly appreciated.

The Lily Mill and Power company, in contributing a spool of thread of its own manufacture to each guest at the banquet and the First National bank, donating to each guest an attractive fan, added materially to the success of the evening. The Cleveland Cloth mill, the Dover mill, and the Ora mill each donated from their own manufacture three prizes that were distributed by drawing. A special prize of \$10 in gold was donated by our very popular manufacturer, Mr. John R. Dover, for which all visitors competed. Mr. P. P. Richards, postmaster, Lawndale, being the winner. These gifts and prizes added materially to pleasure and success of the banquet.

The valuable service rendered by the Cleveland Star in promoting the success of the convention is deeply appreciated by every postal employee in county. Wish space would permit our nam

ing here every person who, in any way, contributed to the success of the occasion, but this acknowledgment would be wholly incomplete were we to fail to express our highest appreciation and deepest obligation to Mr. Paul Webb, sr., chairman of the committee on entertainment, and to Mr. Chas. L. Eckridge, chairman of committee on arrangement for the trip to Lake Lure and Chimney Rock and their assistants, for the most efficient and most valuable service rendered by them. These gentlemen performed their respective duties without a single hitch and with marked skill and much of the success of the occasion was due to the way they handled their parts of the program.

J. H. QUINN, Postmaster, Shelby, June 17.

Boiling Springs Wins Over Shelby Mill, 3-2

(Special To The Star.) The Shelby mill and Boiling Springs baseball clubs played a good game of ball at Boiling Springs last Saturday. Shelby mill lost by the score of 3 to 2. Sisk pitching for Shelby mill allowed three hits, while his team mates were collecting four out of the offerings of D. Wain and M. Winn. Sisk should have won but for the seven bobbles committed by the Shelby mill players. Boiling Springs made three errors. Twelve Boiling Springs men were left on base and three Shelby mill boys were left stranded.

Shelby Mill plays the Ora mill next Saturday, June 22.

Lawndale Wins 12 To 4 Over Cherryville

(Special To The Star.) Playing on Piedmont grounds Saturday afternoon, Lawndale won over Cherryville Mill by a score of 12 to 4. This was the end of a three game series between the two teams of which Lawndale won every game. Wray of Lawndale pitched a wonderful game, striking out 12 men and holding Cherryville to only five hits. The batting honors of the day go to Dave Wallace getting a single, double, and triple at four times to the bat. Useless to say that "Herney" Champion again strutted his stuff behind the bat. This is the tenth game Lawndale has won out of twelve played. Lawndale plays Henrietta Saturday afternoon at Henrietta.

We will state again that we give a special invitation and welcome to all our former pastors, old members and friends. We are expecting Mr. John R. Dover of Shelby to speak at 10 o'clock, then as usual we will decorate the graves with flowers, after which dinner will be spread on the ground picnic fashion. Song service in the afternoon.

The farmers of this community were glad to see the fine weather for work. They have the grass very well under control and crops are looking fine, especially cotton.

Hold Fourteen For Adderholt Killing

Eight Others Allowed Privilege Of Bond But None Had Made Bail Last Night.

Charlotte, June 18.—Fourteen strikers, strike sympathizers and union leaders charged with murder were denied writs of habeas corpus in Mecklenburg superior court today by Judge W. F. Harding and ordered held without bail for the grand jury. The charges grew from the slaying of O. F. Aderholt, Gastonia chief of police, in a clash with strikers at Gastonia headquarters of the National Textile Workers union on June 7.

Bail for eight other prisoners charged with secret assault with intent to kill was fixed at \$750 each. None had made bail late today.

The action followed a day of hearing in which both sides presented their versions of the incidents of the night Aderholt was fatally wounded, when he and three patrolmen received wounds when they went to the strike headquarters.

The state presented evidence that none of the officers had fired a shot and that they had been suddenly fired upon without warning. From witnesses for the petitioners came evidence that the first shot was fired by an unnamed officer and that two of the officers staggered and smelled like whiskey when they came to the union headquarters.

so as to get away from Fullenwider and avoid trouble. Fullenwider, he said, was standing to the rear of the car and said to Wilson "Don't rush up on me Forrest."

After which Fullenwider, according to Anderson, pulled his gun. Wilson, the witness said, ran around behind him and started to open the car door. When he did so, Anderson said, Fullenwider fired.

The first witness for the defense, an aged colored man, said he was standing between two cars talking to Fullenwider told his brother-in-law not to come up on him. "Wilson came walking on and Fullenwider pulled his gun and backed off, telling him not to keep coming. Wilson kept walking and Cliff shot," he said.

Cross-examined by Solicitor P. C. Gardner the witness said he did not see a knife in Wilson's hand.

Another witness for the defense told practically the same story as the witness preceding him about Wilson advancing on Fullenwider backed up and told him not to. This witness, who was some yards away, stated that Wilson had a light-handled knife open and in his hand when he passed him going towards Fullenwider, the handle of the knife being up his sleeve with the blade down along his fingers.

Other evidence developed that there had been some trouble between Fullenwider and his wife, and one witness said that shortly before the shooting he saw Fullenwider and his wife talking together in the churchyard, the wife crying.

Wilson died before he reached the hospital.

Mr. Houser, however, has the unanimous endorsement of republican leaders throughout this section and Congressman Jonas last night at his home at Lincolnton declared that the Dallas man had his endorsement and he understood, the endorsement of all republican leaders in this section.

The congressman explained that he was planning to leave Sunday morning for the capital city to resume his duties there.
