Voodoo Doctor In Bad In Rutherford

Forest City, Aug. 15.-"Doctor Bat Cannon, slick negro voodoo doctor practioner from down at Spart'nburg, who came up here with a bag of Indian roots and some mysterious powder to collect fees from unsuspecting black brethren, has gone back to South Ca'liny just 10 coupons and the costs poorer and Christian Herald Editor, Trying To Snook Convicted Of

The doctor, having practiced upon innocent Tom Black, one of Forest City's negro residents, failed to get Tom off his back and out of bed, and two of Tom's friends grew wrathful and "arrested" the pseudomedico. Charged with assault, Cannon was required by Mayor V. T. Davis in municipal court to pay \$10 and the costs while his "cap tors" were required to hand over similar sums.

Says Incantation.

Defend Bishop, Elicits Jeers In Virginia.

University, Va., Aug. 16.-Jeers and hisses greeted reference to Bishop James Cannon, jr., Wednesday night as Stanley High, editor of the Christian Herald, New York, in an address before the Institute of Public Affairs sought to defend the Methodist official against attacks in the

What appeared to be the great er part of the audience indulged in the noisy demonstration. After the noise had subsided, Mr. High changed to another topic of his speech and left unsaid the remainder of that portion in his prepared address which referred to the Bishop. He was seeking to say that the wets' resorting to mud-slinging was an indication that the

"fight must be going badly." Though the audience booed the speaker because of his references to Bishop Cannon, it was generous in its applause for Mr. High who upheld prohibition in engaging in quasi-debate with Governor Albert C. Ritchie, of Maryland. The audi ence seemed to divide its applause equally between these

Mr. High had scarcely started his defense of Bishop Cannon before the audience started its noise, causing the speaker to stop. Mr. High then turned to other phases of his debate.

Murdering Mistress

Columbus, Ohio, Aug. 15.-Dr. James H. Snook, former Ohio State University professor, lay in county jail today awaiting a sentence of death in Common Pleas court Monday for the murder of his co-ed mistress. Theora Hix, or a favorable ruling on a motion for a new tria!.

As the pandemonium following the jury's verdict of first degree murder broke out yesterday afternoon, Trial Judge Henry L. Scarlett tentatively set Monday mornng as the date for a hearing on a motion for a new trial. If it is denied, he said he would sentence Snook immediately.

Within five days from date of entence Snook must be removed to murders' row" in the state penitentiary to await electrocution. His attorneys said they would appeal in the event their motion for a new trial is denied

Apparently Unworried. The future holds no fear for Snook if his diffident attitude is to be taken seriously.

In his cell in the county jail last night six hours after the jury of eleven men and one woman had ound him guilty without mercy, no complacently ignored the verdict that carries with it the penalty of death in the electric chair.

"I never gave the punishment a hought until you mentioned it," he said to reporters. And this expression of his mind

was borne out by the expression on

his face, which was stern and com-He was sprawled on a cot in his At today's meeting of the Shelby cell and a heavy blanket covered Rotary club, Henry Massey had him.
