Dr. Truett To Speak At The State Fair

Noted Minister Accepts Invitation. Hoover And Roosevelt Invited Also.

(Special to The Star.) Raleigh, Aug. 22.—Dr. George W. Truett, noted Baptist minister, of Dallas, Texas, is the first of the distinguished North Carolinians, now residents of other states, to accept an invitation to speak at the North Carolina state fair in connection with home-coming week, October 14 to 19.

Other speakers who have been invited are President Herbert Hoover and Governor Franklin D. Roosevelt. President Hoover is being claimed as a North Carolinian because of his Randolph county ancestry; while Governor Roosevelt was invited as the representative of the northern states by the last legislature. President Hoover, although expressing a desire to attend, has deferred definite acceptance until he knows whether the tariff fight in congress will require his presence in Washington in October, and Governor Roosevelt is also deferring his decision because of pressure of business in connection with the legislature in his own state.

The department of conservation and development is now conducting a campaign to get as many as possible of the 247,000 North Carolinians to return for Home-Coming week, and is sending out personal invitations to all whose names have been supplied through coupons which have been run in the newspapers of the state. Local home coming committees are also active, working out local home-coming celebrations for the three days preceding the state fair, and to boost the attendance of former residents at the fair.

Wreck Helped Him.

Elizabeth N. J.—Francis A. Sheahan, hotel manager, is inclined to think an automobile accident in which he was hurt may be a blessing. The first time he tried to read after the accident his glasses obscured his vision. He took them off and found he could read without difficulty. Champion Leading Lawndale Slugger

Hitting Over 400. Whisnant Explains Games With Casar Team.

The husky catcher, Champion, of Lawndale baseball club of the county league, is the leading hitter of his club, according to "Dutch" Whisnant, pilot of the outfit.

Champion, Whisnant says, is hitting well over 400, and so far this season no player in the league has stolen a base on him. Tommy Kerr, of the Cloth mill, so far is the only runner to move down to second, getting there safely when the second-sacker erred the throw.

Concerning the recent record of the Casar team published in The Star, Whisnant says that the Casar victories listed over Lawndale were over the second team and not the county league team.
