

**TYROLESE PUBLIC OPINION
OPPOSED MIXED BATHING**

Vienna.—In the remoter parts of the Tyrol and Voraribe local public opinion is strongly against mixed bathing. In one "strandbad" the men are separated from the women, and carefully watched to see that they do not overstep the dividing line. In another little town, much frequented by holiday makers, the local newspaper gravely suggests that mails and pieces of glass should be strewn in the brooks and pools, so that the young may not be corrupted by the sight of bare-footed bathers!

The nearer one gets to Vienna, the fainter these protests become. Apart from the numerous private establishments, the municipality of Vienna had no fewer than 54 public bathing places at the end of last year, including many open-air bathing pools for children. Every year their number is being added to in accordance with the health policy of the Vienna city council.

SPELLS OF BACKACHE

"I HAVE used Cardui at intervals for sixteen years, when I suffered from weakness, and it always helped me," says Mrs. J. W. Jintright, R. F. D. 2, Troy, Ala.

"Mostly I was afflicted with bad spells of backache. At times I felt as if my back would break. I would drag one foot after the other, in a helpless sort of a way, and once I got down in bed. My husband urged me to take Cardui, and I soon found what a fine medicine it really was. When my second child was little, I was in very bad health. I did not pick up as I should have. I was weak and sickly. I do not believe that I would have come through, but for Cardui."

CARDUI
HELPS WOMEN TO HEALTH

Take Theodor's BLACKDRAUGHT for Constipation, Indigestion and Bileusness.

WE WILL START THE FALL SEASON OFF

With the most beautiful new merchandise. We have not left a stone unturned to clear our shelves, racks and tables of all odds and ends. You will be delighted to see the beautiful new merchandise at The Paragon—

Morris Looks For Gold's Successor On Shelby Eleven

More Candidates Expected In For Team Next Week. Gold Leaves.

There is a big blue jersey hanging on a nail over at the Shelby high gymnasium, and underneath the jersey a pair of big cleated shoes waiting for some husky lad to fill—a lad, by the way, good enough at this game of football to make the fans hereabouts forget the only All-Southern grid star Shelby high ever produced.

Which is one way of saying that Milton (Milky) Gold, star fullback who was picked on the All-Southern high school eleven, will not return to Shelby high this fall.

This became definitely known in Shelby this week after the young athlete, who was captain of three teams in the high school here, made a trip to Oak Ridge prep school and came back home "all fixed up" to enter there next week as a member of the freshman class. And that means, too, that Oak Ridge has landed one of the outstanding football prospects in the South judging by the manner in which numerous schools have been beseeching the triple-threat Gold to continue his higher education with them.

Leaves Gap Here.

But the cloud that has a silver lining for Oak Ridge is a plugged-dime affair over at the city park here, where it was hoped that Gold would return. His departure leaves Coaches Morris and Falls with only two regular backs to mould their squad around—Zeno Wall, the snappy little quarter, and Big Alf Eskridge, fullback. The latter may be called upon to fill the shoes of Gold, particularly when the heavy work is needed, but, unless some new back develops, Gold's absence is going to mean a lot of work for Wall, upon whose shoulders and feet much of the kicking and passing will fall. That was one of the things which made Gold great—the could do most anything with the pigskin.

Other Worries.

However, the backfield minus its big punch isn't the sole worry of the Shelby coaches. Two experienced backs are out working this week with the squad, but experienced line players are few and far between. There isn't even a Wall and an Eskridge up there in the forward wall to start off with. Coach Morris has high hopes that the school opening next week will bring some of the big experienced line players back, but so far Hulick and one or two others are the only linemen of last year back in action. Charley Harrelson and Ray Farris however, are scheduled to don their jerseys some time this week.

Zeno Wall was the first of the squad of 25 working this week to get on the injured list, the wiry little quarter yanking a tendon in one leg in the first practice and as the result is now going about upon crutches.

Among the new boys "out to make the team" are several likely looking prospects, but, generally speaking, they know no more about football than a tractor does about flying. A youngster by the name of Barrett from South Shelby is getting several once-overs from the coaches as a backfield prospect, while Brown, another South Shelby product, and Newton, from over in the Dover-Ora section, are husky looking candidates for the line. Here and there scattered among the boys who are getting the stiff squeaks out of their muscles are others who may come through, but unless some of them do football prospects at Shelby high are not so radiant.

Of course, next week it may be another story. A big percentage of the boys are working and unable to come out this week for practice. Hopes are that they will be on hand next Monday afternoon and that the squad will be doubled to 50 candidates.

REFORMED MOONSHINER HAS SON PUT IN JAIL

Louisville.—A youth of 20 was in jail here today because his father, who had "done time" for making moonshine whisky, led federal officers to his son's still and asked them to arrest him.

The father, James Moore, insisted that he was "doing the best thing for the boy," and that "it was the only way to teach him a lesson." The son, William Arthur Moore, on the other hand, was bitter, blaming the crime on the father.

Moore led the officers to the still in the country about twenty miles from here yesterday. His son and Eugene Moorehead, aged 40, were tending it. Taking the youth by the arm, Moore said: "Take the boy and let the rest go. I want to teach him not to mess with whiskey."

The son pulled from Moore's grasp and answered: "You should have thought of that when I was a kid, before you beat me into learnin' this game. You're a fine father, you are, to turn on me like this."

Two More Logans Out To Make Grid Team Shelby Hi

Family names appear consistently in the line-up of Shelby high football and baseball teams—the Clines, the Lees, the Beams, the McSwains, the Griggs, the Hamricks, and so on.

In time gone by two Logans have worn the blue jerseys of the Shelby high grid eleven, Randolph and Fred, both later stars at State college, and this year two more Logans are out toiling and perspiring for those coveted line positions held by their big brothers in days gone by. H. A. Logan, six foot one and pushing the scales up around 190, is struggling for the center position on Casey Morris' rebuilt eleven held last year by Ralph Gardner and in other years by his brother, Fred, while Evans Logan, a short, chunky 190-pounder, is battling for a guard position, next door to the tackle berth his older brother, Randolph, performed in years ago.

Singleton To Enter Carolina

Big Tackle May Enter School There Instead Of At Georgia Tech.

Last week it was announced that Big Joe Singleton, an All-State high school tackle at Shelby high and an amateur boxer of note, would enter Georgia Tech this fall. Late advice has it, however, that Singleton has changed his mind and will be a candidate for Grady Prichard's freshman eleven at Chapel Hill.

Belwood Team In Two Baseball Wins

Defeats Polkville Then Swamps Patterson Springs By 15 To 3 Score.

(Special to The Star.)

Belwood.—Last Friday afternoon the Belwood high school baseball team met Polkville on Belwood ground and got its revenge on Polkville by defeating the latter 4 to 2. The game was close and interesting throughout. The Belwood team almost handed the visitors a shut-out holding the score 4-0 until after two was out in the last inning. It was at this time that Polkville scored its two runs. Belwood showed excellent form playing almost errorless ball. Blue was the outstanding player for the visitors.

R H E
Polkville 2 4 4
Belwood 4 5 3

Last Tuesday the Belwood boys went down to Patterson Springs and took another victory by defeating the Springs boys 15 to 3. The game was close until the sixth inning. In this frame the Belwood boys slugged out enough hits to score every man on the team. Belwood scored ten runs in this stanza due to their hitting and the weakening of the Patterson Springs pitchers. Cooke, a young and new hurler for Belwood showed good form during the first four innings. Willis, who relieved Cooke in the fourth frame was altogether too much for the Springs boys. M. Devine, Dayberry and Carpenter also deserve mentioning for their good playing for Belwood. Mayhue played best for Patterson Springs.
