At The Theatres

The Lyric theatre is this week staging the Dunbar Musical Revue. It's a stage attraction. On the screen the feature is "Avalanche," a Zane Grey picture, starring Jack Holt. The Dunbar Revue is a singing and dancing attraction, with plenty of pretty girls—a peppy show. Plenty of comedy is interspersed through the performance. The Zane Grey picture is an especially fine story of thrill and action. All told the program offers fine entertainment.

Bancroft and Von Sternberg! Marvelous portrayals of life on the screen.

With "Underworld" it seemed that these two, star and director, achieved the greatest things possible on the screen but "Thunderbolt" comes to the Princess theatre today for a two day run and the miracle workers have perfected a new and greater picture of life in the little known milieu of the underworld.

No stronger drama has ever been conceived; no greater emotional climax ever screened than Von Sternberg and Bancroft have brought forth in "Thunderbolt."

"The College Coquette" starring Jobyna Ralston and William Collier, Jr., a picture revealing the gay life of the campus, an all-talkie, is the feature vehicle at the Webb today. It is a snappy, spirited picture, full of thrills and life. It is said to be the first all-talkie drama of campus days. You will enjoy the swing and go of it. Tomorrow Eddie Leonard appears in "Melody Lane," with Josephine Dunn. This is a hundred per cent talking, singing dancing drama, the sort that is so popular with the fans.

Good Credit

Is a

Golden

Possession

A good credit standing like a good name is rather to be chosen than great riches. It carries with it prestige, influence, confidence, honor, trust, faith, and esteem.

One cannot afford to sacrifice this essential part of life, especially as it requires so little effort to maintain it. All that is required is to plan according to one's income, the modern phrase is, "budgeting one's expenditures."

In making purchases on a credit basis one should always have in mind, "Will our income justify this, and leave us in a position to pay this obligation when due?" This is offered as a suggestion in an effort to aid individuals in this community to maintain a high credit standing, one of the most valuable assets any one can possess.
