#### THE TIME TO THINK

is before you part with your money, not afterward. To pay good money for poor gas and oil is to get no return at an additional cost of dissatisfaction. Eliminate all guess work by filling up with SINCLAIR GAS and OPALINE OIL. These products are certified quality to insure complete economy and satisfaction.

# WHY

### YOU SHOULD USE "L & M" Semi-Paste PAINT

Because Most Durable. Made of white lead, white zinc and linseed oil. Paste paint of soft butter consistency.

Because Most Practical, in semi-paste form to be thinned with additional linseed oil as required for surface over which the paint is to be applied.

Bécause Most Economical. Four gallons semi-paste requires addition of three gallons linseed oil to make a liquid paint of proper consistency to apply; making seven gallons ready for use paint at a lower gallon cost than any other high grade paint.

Because You Save \$1.00 Gallon and obtain the best paint you can
