Or The Dishpan.

"Where do you hide those letters that girl has been writing to you, so your wife won't find them?" "I put them in her darnin' basket."—Gutierrez, Madrid.

HEALTHY, HAPPY AND SATISFIED AT 70

Shelby (N. C.) Man Favorably Known By Thousands, Says Herb Extract Is The Best Medicine in the World.

"The poor in health needs such a medicine. In my time I have tried most every remedy on the market that was recommended for ills which had me down, but in all my experience with these so-called health remedies, I found satisfaction only in using Miller's Herb Extract. This gives me good reason to believe it is the best medicine in the world for sickly, ailing people. I am now, with the aid of this great Herb medicine, healthy, happy and satisfied at three score and ten. My general health is fine and I want to tell every sufferer of the medicine which made this possible for me."

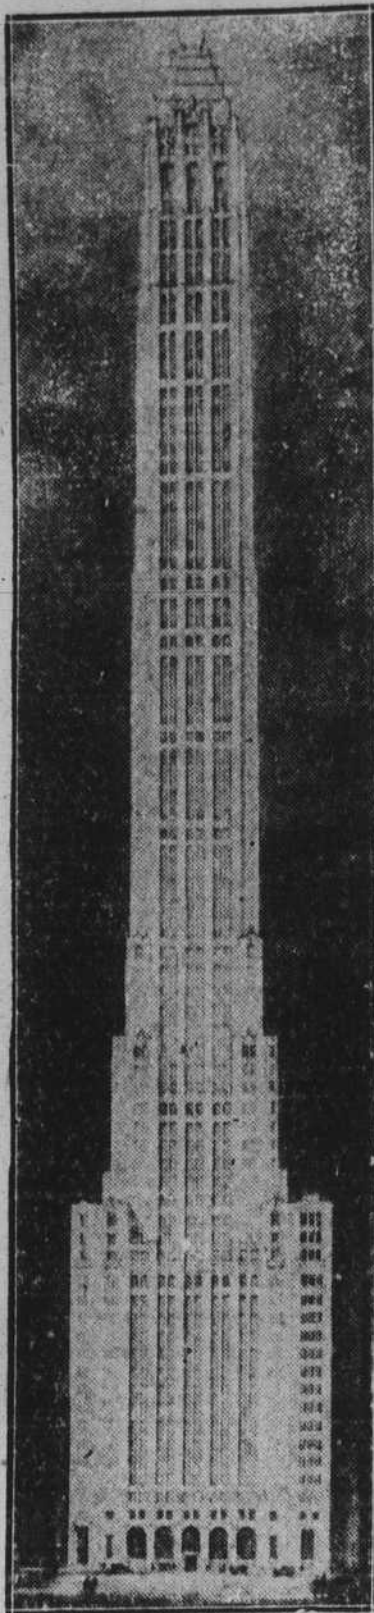

Mr. M. L. WHITE

"When I left the hospital I only weighed 134 then I started taking Herb Extract and in a few months time I had increased my weight to 164, with all my ailments gone. My whole system thoroughly cleansed and regulated, of course, I felt like a new man and do until this day. Miller's Herb Extract (formerly called Herb Juice) did this for me after all else I tried failed to do the work. My ailments: I had aplenty; chronic constipation, lazy liver, weak kidneys, rheumatism, improper elimination which allowed my whole system to take on poison and then I was troubled with high blood pressure and at times I felt like I was going to die any minute. But Herb Extract came to my rescue, the first few doses gave wonderful relief and I continued taking it for weeks when I found that all my ills were gone and I felt strong and healthy again. Yes, indeed, this great medicine worked wonders for me and I feel as though I will never be able to praise it enough for relief, lasting benefits and finally good health. It is one medicine I feel that every sufferer should know of, and I will strongly recommend it the remainder of my life for I sincerely wish that every person in poor health could try it and get rid of his or her ailments. It certainly does the work in a most surprising manner." It is the same in most every case. Mr. White is one among thousands to be greatly benefited and restored to health by the famous medicine. He lives at Shelby, N. C., route 5, and will be glad to tell anyone of remarkable experience with this great natural medicine.

World's Tallest

Plans have been filed for the erection of a new 71 story office building which will rise 825 feet above the ground, on the block bounded by Exchange Place, Beaver, William and Hanover streets in the financial district of New York. As far as official records show this will be the tallest building in the world, but its glory will be short lived when plans are filed for a new structure on the site of the old Waldorf-Astoria Hotel on 34th street, which will tower 1,000 feet above the city's streets.

A Slight Difference.

When Brown met Tompkins after the latter's return from his vacation he inquired: "Did you and the missus do much rowing at the seashore?" "Well, that's the way it's spelt," replied Tompkins, "but it is pronounced differently you know!"
