**PAINFUL INDIGESTION**

"I SUFFERED from indigestion; everything I ate gave me heartburn," says Mrs. Mattie Mullins, of Pound, Va. "For months, I did not see a well day. I worried along, but never felt well. I got a package of Theodor's Black-Draught at the store and began taking it—a dose every night before going to bed. I had been having a awful pain. After I had taken Black-Draught, this pain entirely stopped. I began to gain in weight, and rested well at night. In a few months I was feeling fine. My health was better than it had been in years. I keep Black-Draught in our home, and we all take it for constipation and upset stomach."
