Statement By The Management

The management of The Kelly Clothing Company have decided to liquidate the business and to do so must close out its stocks at all stores—Statesville, Mooresville and Shelby. We are facing the necessity of sacrificing the stocks without regard to values and the prices quoted represent only fractional parts of the tremendous offerings at prices you have not had since the year 1915. If you need anything in Clothing, Men's or Boys' Shoes, Hats, Furnishings, Underwear, Etc., it presents an opportunity which will profit you to use in purchasing your requirements for a year in advance.
