Mr. H. S. Keeter has recently set himself up to a brand new Chrysler two door sedan.

Miss Nellie Keeter of Gastonia spent several days with her parents Mr. and Mrs. T. S. Keeter this week.

Marvin Hamrick and Bruce Roark motored over to Spartanburg last Saturday.

Little Pauline Beam, daughter of Mr. and Mrs. W. L. Beam had a pretty bad case of diphtheria last week. Mr. Beam had his other two children inoculated and they escaped. Pauline is about well and the diphtheria scare that was caused by this case has about subsided.

Mr. Tyree Keeter and Miss Marie Roberts were dinner guests of the latter's brother, Rev. Ivan L. Roberts, pastor of the M. E. church, Hickory on last Sunday.

Little D. E. Byers, the adopted son of Mr. and Mrs. D. E. Byers, is quite sick this week with pneumonia. His condition seems to be improving at this time and the many friends of the family are hoping that he will soon be well again.

Mr. Burris Keeter and family spent the day last Sunday with the former's parents, Mr. and Mrs. T. S. Keeter. Mr. Keeter is making his home in Shelby where he is engaged in the mercantile business.

The Sunbeam band of the Baptist church will put on a program at the prayer-service hour Thursday night. This fine band of little folks are making a fine record under the leadership of Miss Esther Furcron and we are sure they will live up to her expectations Thursday night.

Mrs. Bud Bell is still quite sick. She has pneumonia and has been confined to her bed for nearly two weeks.

State Line lodge 375 A. F. and A. M. put on a class of two through the first degree last Wednesday night. This work was very impressively put on by Mr. Fred Green, acting as grand master in place of A. F. Collins, who is regular grand master. Those taking the work last night were Murray Pruett and Quinn Bell, gave evidence of being made of the right material.

The lodge here is steadily growing in numbers and interest. It is conferring degrees at nearly every meeting.

The following officers are in charge: A. F. Collins, W. M.; Carley Martin, S. W.; A. C. Bumgardner, Sec'y.

It protects your sons and daughters in the time of stress and strife. It brings hope and consolation to the one who was your wife. It provides for food and shelter. Lifts the mortgage from the home. Keeps the home fires ever lighted. For the ones who fain would roam.

It provides a fund for travel. Schooling for the growing youth. Recreation free from labor. Could you only know its truth. Old age knows its benedictions. As the years each take their toll. Many are the names there written. On its ever changing scroll.

'Tis a blessing well worth having. Never mind what be your rank. 'Tis a safe and sound investment. Differing little from a bank. Get it now while 'ret you may. For the morrow is uncertain. There is only one TODAY. —W. L. Buckland, Los Angeles.

Spells Of Backache

"I HAVE used Cardui at intervals for sixteen years, when I suffered from weakness, and it always helped me," says Mrs. J. W. Jimright, R. F. D. 2, Troy, Ala. "Mostly I was afflicted with bad spells of backache. At times I felt as if my back would break. I would drag one foot after the other, in a helpless sort of a way, and once I got down in bed. My husband urged me to take Cardui, and I soon found what a fine medicine it really was. "When my second child was little, I was in very bad health. I did not pick up as I should have. I was weak and sickly. I do not believe that I would have come through, but for Cardui."

A Good Record

Deserves a good reward; one of our local benedicts dropped in the other day and was criticising his wife on certain Christmas shopping. We told him that he should not question his wife's judgment, and he wanted to know why. Here's how we welited him: "Why, look who she married!"

A good record made by Sinclair & Opaline products have never fallen down in their qualifications for that reward. Gas and oil of such exceptional quality is well deserving of the popularity it enjoys.
